TESTIMONIALS.

BALLARD, WASH., February 10th, 1902.—"The Roses reached here during one of our cold snaps, 13 above zero, I placed boxes in a cool dark room leaving them there ten days, on taking them out they opened up without injury as the roots were well packed in sphagnum moss. The plants gave perfect satisfaction. The local inspector of nursery stock pronounced the shipment the cleanest, brightest appearing lot of roses he had ever inspected. I am well pleased."

MESA CITY, ARIZONA, February 1st, 1902.—"The invoice of January for the Peach received, and in perfect condition."

GEORGIA, January 31st, 1902.—"Inclosed find my check for \$350.00 on account. The trees came fully up to grade, in fact, better than I expected, and the packing was good. Some of the boxes were not opened for a month and when opened they were as nice and fresh as could be."

GEORGIA, January 21st, 1902.—"Your car of Peach received. Your trees were the finest lot I have had, the packing I especially commend. It is a pleasure to do business when there is so little trouble."

MACON, GA., January 11th, 1902.—"The shipment of Peach arrived O. K. and I cannot refrain from extending to you my heartiest thanks for the excellent manner in which you filled my orders. The grade of trees shipped me is far beyond my expectations and were undoubtedly the nicest lot of trees that I have ever yet received."

SEATTLE, WASH., January 5th, 1902.—"The shipment of nursery stock arrived in fine condition though a very long time enroute. We are well pleased with the goods."

PHILADELPHIA, PA., December 11th, 1901.—"The shipment of Roses duly received. In reply would state that we are much pleased with the stock, it is just what we require for our retail trade and we will be pleased to hear from you as early in the season as possible as to what you can furnish us another year."

MISSOURI, December 13th, 1901.—"The shipment of trees came through all right, and I am more than pleased. It is the finest grade of stock I have ever bought for the money."
