CONNECTICUT SEED CORN

GROWN BY

The Everett B. Clark Co.,

MILFORD, CONN.

SEED CORN.

WE are the largest growers of **Seed Corn** in the East, and most of the packers acknowledge that Eastern seed gives them the best results.

We have been growing Seed Corn expressly for the Cannery's use over thirty-five years.

This experience ought to enable us to know what varieties of Corn suit the packer best.

We have been improving on the **Stowell's Evergreen** and other varieties for the past few years, and now have strains of Evergreen Corn that will suit all localities.

VARIETIES.

We can offer the following varieties:

~~—~~ Stowell's Evergreen.....

✓ Early "

~~—~~ Clark's Early "

✓ Zigzag "

~~—~~ Clark's Old Colony

~~—~~ Hickox Improved

✓ Country Gentlemen.....

✓ Ne Plus Ultra

~~—~~ Egyptian

✓ Roslyn's Hybrid

✓ Shakers' Early

~~—~~ Stabler's "

~~—~~ Potter's Excelsior

✓ Moore's Early Concord.....

✓ Early Crosby

Thanking our customers for their continued confidence, and wishing them success for the next year, we remain,
Yours truly,

THE EVERETT B. CLARK CO.,

MILFORD, CONN.
