In presenting my price list to customers, I desire to draw their attention to the following terms and suggestions.

My terms are strictly cash, as my prices are so low that I cannot afford the risk of credits. If plants are sent C. O. D. one third cash must accompany the order.

Packing and Cases are furnished free and goods are delivered free on board of cars or boats,

All plants are sent without pots, unless otherwise ordered, when charges will be made for cases and packing at cost price.

When ordering, please state whether goods are to be sent by Mail, Express or Freight.

I warrant all plants and cuttings, sold by me to be true to name and in healthy growing condition at time of shipment but am not responsible for any damage or loss that may occur while in transit, nor do I assume any responsibility in regard to purchasers success in cultivation of plants.
