Novelties, New and Rare==See Below.

CHENILLE PLANT.

(Acalpha Sanderi.)

The flower spikes which appear in pairs from the axils of the leaves, grow from two to three feet in length. They are of bright crimson color, drooping and mixing among the green foliage with charming effect. For bright and curious effect it has no equal. It has received silver and gold medals and premium certificates at the flower shows. 30 cents.

CHINESE SHRUBBY VERBENA.

(Caryopteris Mastocanthus)

A handsome half hardy perennial plant recently introduced from China. 10 cents.

LOPHOSPERUM SCANDENS.

A handsome climbing plant of rapid growth, with heart-shaped leaves and rose-colored Gloxinia like flowers. Its rapid growth and flue foliage, with its beautiful flowers combine to make it one of the best plants for covering any unsightly object or for large vase on the lawn. For a climber on the veranda it has no equal. 20 cents.

HARDY CLIMBING LILY OF THE VALLEY.

(Withania Organifolia.)

A new perennial, perfectly hardy in England. Its herbaceous, slender, diffusely branched stems are annual and attain in a few months twenty to thirty feet in height, covering a large surface. It is enhanced by thousands of white flowers, similar to those of the Lily of the Valley. It is of the easiest culture, and its perennial roots, when established, may remain indefinitely in the same place. 25 cents.

AMOMUM MELEGUETTA.

Belongs to the Ginger family; produces the Cardamom seeds of commerce. In growth it represents a miniature Canna. Makes a very pretty pot plant. Foliage quite fragrant. 20 cents.

IMPORTED JAPANESE FERN BALLS.

These Fern Balls arrive from Japan in a dormant condition. The roots are twisted together in a ball shape, six to eight inches in diameter. When placed in a greenhouse they soon leaf out, covering the entire ball, making a handsome plant for window show. Furnishes also very useful material for design work. \$1.00 each.

BEGONIA ERFORDIA.

One of the most prolific bloomers in the Begonia family. It is continually covered with rosy salmon flowers. An excellent variety for out door bedding growing and blooming in our hot sun equal to the best bedding geraniums, being a mass of bloom the whole season. 25 cents.

EMPRESS OF CHINA.

The New Climbing Rose.

It was brought to this country by a gentleman from China, who says of it that it commences to bloom in May and is loaded with its elegant blooms until December. Color, shell pink. 20c.

CLIMBING METEOR.

Grand New Velvety Red Rose.

All who know "General Jack" will call to mind its beautiful, high colored, rich, velvety-red buds and flowers. Climbing meteor is the acme of all red Climbing Roses. It is a free, persistent bloomer. 15c.

RAMBLER ROSES.

The most popular Roses of recent introduction. Wonderfully beautiful and useful hardy climbers. Flowers produced in great profusion and in immense clusters. In four colors, Crimson, White, Yellow, Pink. 10 to 50c.

PRIMULA FORBESII.

Baby Primrose.

The Baby Primrose, so-called because of its small flowers, not more than half an inch across, of a delicate rosy-lilac with yellow eye; it blooms profusely and almost every day in the year and in three crowded whorls on stems about one foot high. 20c

DOUBLE RUDBECKIA.

Golden Glow.

This is decidedly the brightest and most showy among the hardy plants in cultivation. The plant is compact, growing four to five feet high, producing numerous stems which are laden with double golden yellow flowers. 20c.

MAHERNIA.

Mahernia Odorata (Honey Bell), a pot plant of easy culture, having fine foliage and pretty, bell-shaped flowers; fragrant. Each 15 cents.

CINERARIA.

A beautiful class of plants for spring decoration of the window or conservatory. They grow one foot high and about the same in width, and are completely covered with a mass of flowers two inches across, of the richest colors in blue, violet and crimson shades. 15 to 40 cents.

TWO STRANGE CHRYSANTHEMUMS.

James Comley. Specimens have been grown over twelve inches in diameter. The peculiar drooping and twisted habit, with its singular crest. The flower is perfectly double, deep pink, with bands of white running the whole length of petals. 15c each.

Latest Fad. A wonderful curiosity and a peculiar freak of nature. A mammoth bloom with ribbon or cord-like petals, eight inches and upwards in length, gracefully falling around the stem like a soldier's plume. Color, rich yellow, at times mottled and splashed with bright crimson and bronze. Of all the "oddities" this is the most curious and best. 15c each.

NOVELTIES.

John K. Shaw. (Seidewitz.) Ball-shaped, incurved pink. One of the very best commercial varieties. Very strong grower with exceptionally strong stem and luxurious foliage. Ready to cut October 25th. Scored commercial scale, 92 points; exhibition scale, 86 points. Certificate C. S. A. 15c.

William H. Chadwick. This proved one of the best novelties sent out last spring. Flower is immense in size, of a waxy white, occasionally tinted pink; growth, habit, stem and foliage simply perfect. Anybody can grow it. 15c.

Zeno. (Smith.) A very late bright pink of the Japanese incurved type. In color similar to Mrs. Perrin, but larger and perfectly double. Cut November 24th. Second crown or terminal bud. Three feet. Certificate by C. S. A. 15 cents.

Evangeline. (May.) Pure white. Undoubtedly the greatest novelty of the year. In size is over twelve inches from stem to stem, a solid mass of petals in color almost a paper white.

Golden Wonder. Mammoth old gold yellow, shading deeper to center; petals reflexed; broad blooms of immense size, fourteen to sixteen inches in diameter; stem and foliage perfect.

Merry Christmas. Latest of all white Chrysanthemums. Good, stiff stem and well formed flowers of purest white, in style of Mutual Friend. Ready to cut December 20th.

Pennsylvania. Sport from Philadelphia. A beautiful shade of light yellow; same shape as Philadelphia and a great improvement over that variety. Mid-season.

Snow Queen. Large, nicely finished, snow-white flowers; full to the center. Strong stem, with foliage nearly up to the flowers. Fine shipper, Height three and one-half feet. Ready to cut October 20th.

Western King. (Smith.) This, we believe, is the best white yet introduced for plants either bush or single stem. An incurved flower with outer petals slightly reflexing, pure white. Maturing November 1st. Height three and one-half to four feet. 10c each.

NEW AND RARE CHRYSANTHEMUMS. - -

(10 cents each.)

Modesto. The finest yellow yet produced. Unsurpassed in size; of an incurved, slightly whorled form, with high full center. Maturing Nov. 15th.

Mayflower. White, bold, irregular flower. Has taken first place at Chicago show the past two seasons.

Dean, Maud. Grand rosy pink of fine build and large size. Color extra good. One of the very finest among pinks.

Lady Playfair. Pearly pink, brighter in the center. Large size, incurved Japanese. One of the very best.

Mrs F. Perrin. Of incurving form. Color rose pink of a glistening satin finish. Very fine variety and sure to please.

Shrimpton, John. A grand red of the George W. Childs type. Dwarf and with fine foliage.

Novelties and New Ceraniums.

(10 and 25 cents.)

Alphonse Ricard. Large, semi-double flowers of a brilliant shade of orange red. Dwarf grower. Fine bedder.

Mad. Hoste. Single. Soft, rosy-scarlet, with large white eye, circular florets, forming good trusses.

Double New Life. The flowers are double, brilliant red, and in the center of each appears another semi-double white floret.

Enid. Clear, bright rosy red, large, well-shaped pips, two and one quarter inches in diameter, forming huge, compact trusses of bloom. This is one of the brightest and most attractive, and certain to be a general favorite.

Fleur Poitevine. Large single flowers; color brilliant rosy carmine, marbled and striped with pure white, producing an aureole of deep orange carmine at the center. Robust and wonderfully free flowering.

J. Ricaud. A very fine, free-flowering double variety; flowers purplish-crimson of a very intense shade; center very distinctly marked white.

Vera Vend. Double. Plant of finest habit, large trusses; flowers semi-double, very open with large petals, the borders of which are rosy orange; large center striped with white and delicately marbled and striped with rosy orange.

J. Sallier. Trusses very large and of perfect form, composed of single flowers; edges of petals carmine lake; the center is washed in tints of rose, the upper petals are veined carmine and marked with orange at the base. This is one of the most distinct and valuable geraniums of the year.

Mars. New. A superb bedding and pot Geranium. It is of dwarf and compact habit and a profuse bloomer. The foliage is a deep green color, with dark bronze zone. Flowers are single; color a deep salmon-rose at the center, changing to white on the edge, forming compact flower heads.

Md. Jaulin. The finest new semi-double Geranium offered in many years. Very large florets; center of flower very delicate pink, bordered with pure white; unrivaled by any bedding sort and is equally as valuable for pot culture.

Madam Bruant. A grand variety, wholly distinct from any other in cultivation. White, veined with carmine-lake, florets regularly bordered with bright solferino. The trusses are large and beautifully formed. The plant is a good and healthy grower and very free flowering.

Triomphe de Nancy. New. Flowers semi-double, carmine red, with white markings very peculiarly arranged; an entirely novel variety. No other double variety has ever shown white markings similarly distributed.

Two fine single Geraniums originating with me, the finest I have ever seen of the colors:

Pillsbury's Best. This attracts the attention of every one. The flowers are of a most pleasing shade of delicate pink, and the florets larger than a silver dollar.

Pillsbury XXXX. A beautiful shade of rose salmon. The plant is a good grower and bloomer with florets of immense size.

Above, 20 cents each.

The Wonder. Is so intense in color, such a wonderful bloomer and strong grower that it was styled "The Wonder." The flowers are of the most intense, dazzling scarlet, and are borne in trusses of enormous size, measuring from eighteen to twenty inches in circumference, with single florets measuring seven inches in circumference.

GERANIUM—MAD. SALEROI.

MIGNONETTE.

Sweet. 5 cents.

NASTURTIUM.

Single, dwarf, 5 cents. Single, tall, 5 cents.

PANSY.

PANSY.

The Pansy is justly everywhere, and with everybody, a very popular flower. Its modest and inate sweetness, with its almost human face, endear it to the hearts of young and old alike. It gives an abundance of bloom until after severe frosts, endures our hard winters with safety, and greets us in the early spring with a profusion of bright blossoms. Our stock of these is from the best seed in the market, and is not surpassed, we think, by any collection in the country. Very strong, good varieties. Price, 25 cents per dozen.

A good variety of new double ones, also the new **California Giants.** 10 cents each.

PALMS.

PALM.

Now the most fashionable decorative house and window plants. If placed in a handsome jardiniere no more beautiful or ornamental plants can be found. An elegant present for a plant-loving friend. Keep in a moderately warm room, sponge off foliage and stem frequently with warm water and weak tobacco soap suds, and then with clean water. Give plenty of water, especially in summer, and do not expose to the scalding rays of the sun. We have a grand stock of the following varieties, which are the very best for the amateur. *A personal inspection invited.*

Cycas Revoluta. (Sago Palm.) The stems of this variety are similar in shape to a pineapple; leaves grow in whorls at top. \$2.00, \$4.00 and \$5.00 each.

Areca Lutescens. A most elegant Palm. One of the best for general decorative purposes, easily grown, useful at every stage of its growth. Fine color, graceful habit, stems golden yellow, tall grower. 50 cents, \$1.00 and \$2.00.

Latania Borbonica. One of the most desirable for general cultivation. Fan-shaped leaves. A good grower. 50 cents, \$1.00 and \$2.00.

Phoenix Reclinata. A genus of very hardy and rapid-growing pinnate leaved Palms, of which there are several species, all of them handsome. In a young state these plants do not show their true leaves, but they grow so rapidly they soon develop the divided leaves and form fine specimens. 50 and 80 cents.

Kentia Belmoreana. This is always enthusiastically received when seen, on account of its elegant and well furnished growth. An elegant species in which the pinnae are beautifully curved and reflexed. One of the easiest to grow in cultivation. Nice plants, 75 cents and \$1.00 each; large size, \$2.00.

Kentia Fosteriana. Similar to preceding, but taller and more robust. Same price as Kentia Belmoreana.

PRIMULA OBCONICA.

Ever blooming Primrose. 15 to 25 cents.

PRIMULA SINENSIS.

(Chinese Primrose.)

The most showy winter blooming plant grown. A continuous bloomer from early winter till late spring. Price, 10 to 20 cents.

PILLEAS.

(Artillery Plant.)

Muscosa. Graceful, fern-like foliage.

Grandis. Leaves of golden green color. 5 to 15 cents each.

PELARCONIUMS.

Probably no plant in cultivation possesses as brilliant markings as this. Varied with all the shades of pink, carmine and white. Several good varieties and nice plants at 15, 25 and 50 cents.

Pontederia Craspedes Major.

(Water Hyacinth)

A very showy aquatic, bearing very freely. Flowers of a delicate lilac rose in trusses like a Hyacinth. 10 to 20 cents.

RUSSELLIA JUNCEA.

One of the finest basket or vase plants known. In growth it produces long, wiry stems with flowers about the size of a Manettia. 15 cents.

PERIWINKLE.

Nova Spec. Pure white.

Rosea. Rosy pink. 10 cents.

SWAINSONIA CALECIFOLIA ALBA.

A most wonderful plant, producing spikes of pure white flowers resembling the Sweet Pea. 10 cents.

SALVIAS.

(5 cents each.)

Alba. White.

Splendens. Scarlet.

SANSEVIERA ZEALANICA.

(An elegant decorative plant.)

This is a very beautiful and rare plant for all decorative purposes. The foliage is beautifully striped crosswise. 20 cents.

SMILAX.

A beautiful climber, with small green leaves. Immense quantities are grown by florists and sold by the yard for decorative purposes. 10 cents; one year old, 20 cents.

SOLANUM JASMINOIDES GRANDIFLORUM.

Five cents.

THE NEW BELGIAN RUBBER TREE.

The difference between the new and the old variety of Rubber plants is that in the Belgian variety the foliage is larger, with a bronze lustre. It also grows much more rapidly. 50 cents.

SAXIFRACA SARMENTOSA.

A splendid basket plant. 5 cents.

TUBEROSES.

Excelsior Pearl. Dwarf in habit. Flowers larger than Common Double. Good flowering bulbs, 5 cents each; 40 and 50 cents per dozen.

VINCA.

A beautiful trailing vine, fine for vases or large hanging baskets. 5 and 10 cents each.

Major. Variegated yellow and green.

NEW VIOLETS.

Lady Campbell. A fine new deep blue violet of stronger growth than the Maria Louise. 10 and 15 cents.

"The California." The plant is vigorous, the flowers are single, immense in size and borne on long stems. 10 cents.

Princess of Wales. Admitted by most all growers to be the best single Violet grown. The flowers are very large and a true blue; stems ten to twelve inches long; free bloomer and healthy grower. A great improvement over California. 15c.

VERBENAS.

Plants very healthy and free from rust. I offer the following varieties at 5 cents each; 40 cents per dozen.

Aurora Borealis. Red, striped white.

Bernice. Beautiful rosy pink, dark center.

Beauty of Oxtou. A large, fine pink.

Climaxer. Extra large scarlet. Strong and vigorous grower.

Defiance. Scarlet. White center. Fine.

Fire Ball. Dazzling scarlet of the most vivid color. Large white eye.

Francis. Pink. Larger and lighter than Beauty of Oxtou.

Lapiz Lazula. Light blue, white eye.

Miss Arthur. Dazzling scarlet. Very fine.

Mrs. Cleveland. Pure white. Good, strong grower.

Nero. Very dark, almost black.

Perfection. Pure, solid pink. The finest of its color.

Pride of Lancaster. Cherry red, shaded white.

Sylph. Pure white. Strong grower, good bloomer.

White Beauty. White. Very large; extra.

Harris. Glowing crimson, white eye.

YUCCA FILAMENTOSA.

(Adam's Needle and Thread.)

Fine hardy plant for cemetery or yard planting. Bell-shaped, creamy white flowers. 20 cents.

SPECIAL OFFER { Twenty Roses, Our Selection, for \$1. } **SPECIAL OFFER**
Or Ten Roses for 50 Cents.

I have selected a list of the very best Roses and divided them into collections to suit different purposes and you cannot do better than to order the collection complete.

FOUR RAMBLER FAMILY.

(15 cents each, or the set for 50 cents.)

Aglaia, or Yellow Rambler. Flower of medium size and double form, produced in large clusters over the entire vine. Color, a fine shade of yellow, darker than *Coquette de Lyon*.

Euphrosyne, or Pink Rambler. Almost identical with the above, except that the flowers are pink shading to rose.

Thalia, or White Rambler. Pure white. The mass of color produced is wonderful, the flowers being borne in huge clusters, which last nearly a month on the plant. They are quite as rapid and free in growth as the *Crimson Rambler*.

Crimson Rambler The blooms are produced great bouquets, and are of a most peculiar and lovely shade of crimson. The small flowers are a little more than semi-double, and of the shape of tiny cups. The blooms last and keep their color a long time, either off or on the plants. It has proved to be perfectly hardy.

BEDDING COLLECTION OF ROSES.

(10 cents each, or the set for 85 cents.)

The monthly Roses are continuous bloomers, and hence general favorites. The surpassing beauty of many varieties causes all to admire. We make a specialty of the following popular and well-tried kinds. They cover all shades of color and are the cream of Roses.

Bride. A superb white tea rose.
Bridesmaid. A fine pink. The standard.
Meteor. Velvety red. Fine flowers.
Perle des Jardins. Very large double yellow.
Kaiserin, A. V. Creamy white. Large and fine.
Safrano. Orange buff. Profuse bloomer.
Hermosa. Clear pink. Continuous bloomer.
Sunset. A golden amber.
Pink Soupert. Bright pink polyantha.
Beauty Inconstante. A wonderful rose of varying shades.
Souv. de Wooten. An excellent red rose.

(10 cents each, or the set for 50 cents.)

LaFrance. Silvery rose shaded with pink.
Clotilde Soupert. Pearly white, rose center.
Dinsmore. Large scarlet crimson.
Duchess of Albany, or Red LaFrance. Reddish pink.
Champion of the World. Rosy pink. Large and double.
American Beauty. Large and full. Rich rose color.

Collection of Perfectly Hardy Roses.

(10 cents each, or the set for 75 cents.)

Gen. Jacqueminot. Rich velvety crimson.
Paul Neyron. Deep shining rose color.
Coquet des Blancs. Large white. Very double.
Gen. Washington. Beautiful shining crimson.
Magna Charta. A bright clear pink.
Mad. Alfred de Rongement. White, tinted with blush.
Anna de Diesbach. (*Glory of Paris*.) A brilliant crimson.
Fisher Holmes. Dark, rich scarlet.
Gloire de Margottin. A clear, dazzling red.
Large two-year old plants in a good variety at twenty-five cents each.

HARDY CLIMBING ROSES.

(10 to 25 cents.)

Baltimore Belle. White, tinged with crimson. Grows in clusters. Very fine.
Prairie Queen. Very clear pink. Large and double.
Empress of China. New, hardy. Bright pink. Rampant climber.

MEMORIAL SET.

(15 cents each, or the two for 25 cents.)

Manda's Triumph. This grand Rose is of free growth, luxuriant foliage, and produces large clusters of double, pure white flowers.
Universal Favorite. This is the most vigorous plant of the set. The double flowers are over two inches in diameter, and of a beautiful rose color, similar to the *Bridesmaid*, and deliciously fragrant.
