CLEMATIS FOR MAILING.

Electrotype of this Cut 40c post paid.

MADAME VEILLARD.

JACKMANNI.

HENRYI.

MADAME EDOUARD ANDRE.

As a plant specialty for catalogue trade there is scarcely anything which is so popular as the large flowering varieties of Clematis. The price has usually been so high as to curtail their sale but this season we can offer good healthy plants of last spring's propagation at figures which will admit of low retail prices. The plants are now in deep 2½ inch pots but, as soon as they become dormant, will be shaken out for convenience in shipping.

Jackmanni, purple and Mme. Baron Veillard, pink, \$5.50 per 100, \$50. per 1000.

Henryii, white and Mme. Edouard Andre, red, \$6.50 per 100, \$60. per 1000.

Nov. 1, 1902.

OFFERED SUBJECT TO BEING UNSOLD ON RECEIPT OF ORDERS.
