ULRICH BRUNNER—(H. P.) Brilliant cherry red, very effective, flowers of fine form and finish; petals of great substance; plant vigorous and hardy. The best substitute for American Beauty and more valuable than that sort for out-door culture.

MAMAN COCHET—(T.) Flowers large, very clear carmen rose, shaded with salmon yellow; constant bloomer. One of the finest, very vigorous and healthy.

FRANCISCA KRUGER—(T.) Color coppery yellow, varied with lighter tints; a good grower. Style of bloom very similar to Catherine Mermet; good foliage.

CLIMBING SOUVENIR DE WOOTTON—A very strong grower; fine foliage, hardy; free bloomer. A sport from Souvenir de Wootton. Color deep crimson, large flowers, beautifully shading, highly perfumed; one of the most healthy, vigorous and clean Climbers; beautiful in both bud and flower.

EMPRESS OF CHINA—A hardy climber, very strong grower, free bloomer. Flowers of good size from pointed buds, soft red turning light as it opens. Blooms from May to December, called the "Apple Blossom Rose".
