TEXAS, November 8, 1902.

"Am unloading car (Elberta) and find beautiful trees—way above grade."

VAN BUREN, ARK., November 20, 1902.

"I am more than pleased with the car of trees (Elberta) you sent me. They are if anything better than I ordered and they are giving you a great advertisement down here. I never saw trees freer from worms. A great many trees coming in from other nurseries are badly affected with borers. So far yours are the nicest trees that have come in——trees not excepted."
