There is a great demand for Cream Separators and beyond a doubt the **SMITH** is the greatest

FARM SEPARATOR

ever placed on the market. The Separator has been sold for five years and we are safe in saying in the use of the **SMITH** you get more cream, better butter, milk fine and no labor at all and is sold under a positive guarantee. The **SMITH** was the first Separator in the United States that does not mix the milk and water. There are others on the market today but all imitations. If you want a Separator that is scientifically built and will please you in the extreme, remember the

Old Reliable, The Smith

Write them for agent's terms and catalogue. Nothing has and nothing can equal the **SMITH**.

In writing mention this catalogue.

And another thing this company is doing, they build what is known as the 20th Century

Farmers' Co-Operative Creameries

and will aid any neighborhood in building one of these creameries and will make a cow net you \$50.00 a year at the creamery and a good calf left. Isn't this a good proposition? No community in the United States is complete without a good creamery and this can be had any place in the West Central States if your wants are made known to the

Kola-Ettes Not a Dope

The several ingredients entering into the composition of this valuable remedy are now used by all the most eminent and successful physicians in both hemispheres. They are now for the first time placed within the reach of everybody. The secret of their great utility lies in the fact that they are not a "dope," whose chief effect is a violent and transitory one, but that they contain in a concentrated and acceptable form the healthy vital action or living bodies possible. By increasing the nervous energy of the whole body those parts and organs that are weak and exhausted from misuse, abuse or disease, are actually regenerated. They tone and invigorate every organ of the body, soothe and strengthen the nerves and transform broken-down men and women into healthy, vigorous, ruddy-cheeked persons. They will quickly strengthen and cure all forms of nervous diseases, such as Despondency, Insomnia, Lack of Energy, Nervous Debility, Pimples, Exhaustive Drains, Nervous Dyspepsia and Constipation. If you find this isn't so you get your money back.

Each box contains a sight draft on us for one dollar; if after using you are not satisfied, take the draft to your local bank and they will give you your money back.
