Special Wholesale Price-List---Spring, 1904.

Most of the stock offered on this Special Price-List is on ground that is to be cleared this spring, and must be sold, hence the low prices. If you want any of this stock send in your order at once, or before Feb. 1st, 1904, as prices will be advanced after that date.

We fumigate our stock in addition to furnishing a certificate with shipment.

Should we be out of any variety ordered, we will substitute others of equal or greater value, unless otherwise ordered.

Note—No order will be entered for less than \$2.50. Six trees at dozen rates, 50 at 100 rates, 500 at 1000 rates. Terms, Cash with Order. No discount or premium trees.

Catalogue Free. If you do not receive our 1904 Catalogue by Feb. 1st, 1904, let us know and we will be glad to send you one; also, we would be pleased to have you send a list of your friends who might buy if they had our Catalogue, and we will put you in free with your order some stock for your trouble. The Orange Quince, *the old favorite*.—Every one is well acquainted with the Orange Quince, some know it as the Apple Quince. It is a good old variety, never disappoints the planter; good for home use and for market, and more largely planted than any other variety yet introduced. Its large, golden-yellow fruit, of fine quality, is to be seen in more or less quantities in nearly every garden or orchard every season, as it rarely fails to produce a crop.
