LIBRARY,
U.S. Department of Agriculture
Washington, D. C.

SPRING 1904.

GENEVA, N. Y., Jan. 9, 1904.

We give below a list of our surplus about as it stands at this date. Our supply is not so large as it usually is at this time so we would advise early orders.

These are net prices for an assortment of stock and may be changed without notice. Stock is offered subject to first order. Should other stock be needed, and you will give us a list of it, we may be able to supply you to your advantage.

We use great care that our stock shall be true to label, and accept order with the mutual agreement that should any of it prove otherwise we can replace the same, our liability in no case to be greater than the amount we receive for the stock.

Stock Offered is First-Class of Grades Named.

Address,

SEARS, HENRY & CO.,

State of New York.

Department of Agriculture.

CERTIFICATE OF INSPECTION OF NURSERY STOCK.

This is to certify that the stock in the nursery of Sears, Henry & Co., of Geneva, County of Ontario, State of New York, was duly examined in compliance with the provisions of Chapter 519 of the Laws of 1902, and it was found to be apparently free in all respects from any contagious or infectious plant disease or diseases, or the San Jose Scale or other dangerously injurious insect pest or pests. This certificate expires June 30, 1904.

Dated, Albany, N. Y., Sept. 1, 1903.

C. A. WIRTING,
Commissioner of Agriculture.
