"IRON AGE" FARM AND GARDEN IMPLEMENTS.

No. 6 Iron Age Combined Double and Single Wheel Hoe, Hill and Drill Seeder.

The No. 6 is practically ten tools in one. It places the seed in rows or in hills 4, 6, 8, 12 or 24 inches apart. Can be quickly changed to a single or double wheel hoe, cultivator, rake or plow. The frames of these seeders and wheel hoes are made of pipe coupled to malleable castings. The wheel is made of steel 16 inches high, thus rendering them light, strong and easily operated. For this tool as a wheel hoe see No. 1 below. Prices: complete \$11.00; as a Hill and Drill Seeder only (No. 7), \$8.00

A complete Iron Age Catalog sent free on request

As a double wheel hoe the No. 1 may be used astride the rows or as a single wheel between the rows. It may be quickly changed to a cultivator plow or rake, a drill seeder, or a hill and drill seeder attachment may be added at any time. Price No. 1 complete \$3.50

With side hoes only, "Iron Age" No. 3, Price \$3.75.

No. 1
Iron Age
Double
and Single
Wheel Hoe.

New Model
Seed Drill.

THE NEW MODEL,

Although new in name, has been sold for years and always gives satisfaction. It sows any kind of seed with regularity and is one of the steady reliables. Price \$7.50.

No. 1 Iron Age
Horse Hoe and
Cultivator.

Our No. 1 has a lever expander, lever depth regulator with wheel, and may be used as a horse hoe or cultivator. May also be furnished as a plain cultivator with plain clamp or with any of the additional parts as shown.

Price complete \$7.25.

No. 7 Iron Age Horse Hoe and Cultivator.

This implement is a little heavier than the No. 1 above. Has a new rigid expander and also a furrow closing attachment. It may be expanded from 10½ inches to 30 inches.

Price complete \$9.00.

Without furrow closing attachment, Price \$7.75.

WE ARE LOCAL AGENTS FOR

NOTICE.

We carry extra parts to all of the foregoing implements at our place, and orders by mail or telephone will receive prompt attention. We either have what you want along this line, can get it for you, or it is not made. If in want of farming implements, kindly give us an opportunity to quote prices.

FERTILIZERS.

We are local agents for Bowker Fertilizer Co., Lucien Sanderson Chemical Co., M. L. Shoemaker and Co., and would be pleased to quote you a low price on any of the brands made by these concerns.

We are having a formula mixed for us, which we obtained through a local experiment station, of a high analysis. This we sell for \$28.00 per ton, and is a high grade, complete, general use fertilizer. We are using it on our seed crops and can give it a good recommendation.

Hudson Fertilizer Cart, Price \$30.00.

We have two makes of CORN PLANTERS, one selling for \$2.25 and one at \$1.40.

Harvester Oil at 10 cents per quart.

Paris Green at 18 cents per pound.

The Everett B. Clark Company give no warranty, express or implied, as to description, quality, productiveness, or any other matter, of any seeds they send out, and will not be in any way responsible for the crop. If purchaser does not accept the goods on these terms, they are to be returned at once.

We issue this list of prices subject to being unsold on receipt of order. Owing to an unfavorable season many varieties are in very short supply, and stock is liable to be exhausted before planting season. We request *early orders* and **Correspondence for Special Quotations** on small quantities. State varieties you need and approximate quantities. Return mail will bring you our **Lowest Prices**.
