Maple Grove Nurseries

Waterloo, N. Y.

Count List of Surplus Stock

We herewith submit a List of Stock that we have
✻ ✻ ✻ to offer for the coming season. ✻ ✻ ✻

Our stock is all nice, young, clean, healthy, well grown and fully up to grade quoted. Our nurseries have escaped the ravages of the green aphid and the stock has made an extra fine and vigorous growth.

We have large storage cellars in which all our stock is placed ready for early shipment, except part of the $\frac{3}{4}$ Apples and the Ornamental Trees.

Our Shipping Facilities are the best in the country. Trunk lines of railroad in every direction enable us to secure through freight rates to all points.

Location. We are located on the N. Y. C. R. R. and L. V. R. R. seven miles east of Geneva. Also trolley car every half hour from Geneva.

Packing will be done in the best possible manner and charged for at cost of material used. Boxes and bales delivered, free of charge, to railway stations. After goods are delivered to forwarder in good condition, our responsibility ceases.

Unknown Correspondents must accompany their order with cash or satisfactory reference.

These prices are subject to change without notice.

Certificate of Inspection with each shipment. No San Jose scale has been found in this vicinity.

Correspondence and Personal Inspection solicited.

PEIRSON BROS., Proprietors.
