WHOLESALE TRADE LIST

OF THE

GENEVA NURSERY,

FOR

Nurserymen and Florists.

FALL OF 1906.

W. & T. SMITH CO.

GENEVA, N. Y.

THE PACKING SEASON. The Fall packing and shipping season usually opens about September 1st. Orders, however, should be placed with us as early as possible to insure the selection of varieties.

ORDER EARLY and thus insure prompt and careful attention. Please write a list of the varieties desired on a separate sheet and so prevent possible mistakes.

OUR SHIPPING FACILITIES are the best in the country. Trunk lines of railroad in New York enable us to secure *through freight rates* to all points.

PACKING is done in the best possible manner, and charged for at the cost of material. Boxes and bales delivered free of charge to all railway stations. After goods are forwarded in good condition our responsibility ceases.

GENEVA CORRESPONDENTS must accompany their orders with cash or satisfactory check.

WARRANTY. While we exercise the greatest care to have our trees and plants true to name, we hold ourselves prepared to replace, on proper proof, all that may prove untrue. We do not give any warranty expressed or implied, and in case of any error on our part, it is mutually agreed between the purchaser and ourselves that we shall not at any time be held responsible for a greater amount than the original price of the trees.

DESTRUCTION CERTIFICATE. Our nursery has been duly inspected under the State law to protect it from San José and other injurious pests. Copy of certificate will be sent on application.

PARCEL EXPRESS RATES. A 20 per cent. reduction on all nursery stock is now made by all express Companies.
