CABBAGE AND TURNIP SEED
SPECIALTIES

NOTICE—While we exercise every care possible in selection, to have our stocks true to type, we give no warranty express or implied and will not be responsible for any failure in any respect.

If purchaser does not accept goods on these terms they must be returned at once.

C. L. ALLEN.

To the Trade:

We are now prepared for making contracts for growing the justly celebrated **LONG ISLAND CABBAGE SEED**, 1906-1907 crops of the best quality, and of all the popular sorts, at as low a price as first-class seed can be produced. We have for many years made the growing of CABBAGE SEED a specialty, and have introduced some of the choicest varieties know in the trade. Among them are All Seasons or Vander-gaw, Mammoth Rock Red, Burpee's All Head and Solid South.

We cordially invite all interested to examine our stocks before putting in trenches in November, and compare them with others, the only way of knowing where the best sorts can be obtained.

CONDITIONS OF CONTRACT

1st—All Cabbage put out for seed is subject to inspection, either before being put away in the Autumn, or after transplanting in April, and if not perfectly satisfactory to our customers the contract may be annulled.

2d—For seed purposes I put away only well developed heads, such as will plainly indicate the type

3d—Parties having a special type and furnishing their own stock seed will have it grown with the greatest possible care, and everything will be thrown out that is not true to type.

4th—But one variety is grown by the same party, and not near enough to any other sort to endanger its purity from cross-fertilization.

TERMS

Acceptance 4 months from December 1st on contract orders. A discount of 5 per cent. allowed on all bills if paid within twenty days from date of invoice. Special orders 4 months from date of invoice.

For seeds ordered after January 1st payments are due at the end of four months.

We ask our customers to give explicit shipping directions, as our responsibility ceases when the goods are delivered to the express or freight offices and we take a receipt for the same.

CABBAGE
