A FEW FACTS FOR YOUR CONSIDERATION

Situated as I am, in the Nursery Center of the South, where nature has blessed us with MANY advantages; we are now growing the BEST STOCK we have ever grown. While I can't BOAST of my long years in business, I do boast of my SUCCESS. Three years ago I started with only 10 acres, all Peach, with nothing to offer but June Buds. Now I have over 50 acres with almost a full line for retail and the following list for Wholesale.

I AM TRYING TO DO AS I WOULD BE DONE BY.

It is with pleasure I hand you my THIRD ANNUAL PRICE LIST, which I hope you will carefully consider before you place your ORDER.

OFFICIAL CERTIFICATE NO. 10.

To Whom It May Concern:

This is to Certify, That in accordance with an Act of the General Assembly, approved April 20, 1901, I have on the 13th day of July, 1904, made an inspection of the Nurseries of the GLENN CLIFF NURSERY, at Winchester, Tennessee, and that I found the stock in these Nurseries apparently free from the San Jose Scale and all other insects and diseases of a seriously injurious nature.

This certificate is to cover only stock grown in the above named Nurseries, and becomes invalid after August 1, 1905.

State Entomologist

New Certificate Will Be Furnished With Shipment.
