A List of Choice Young
Ornamental Trees, Shrubs and Vines
For Planting Out in Nursery Rows

To our many customers who regularly buy from us, this list needs no particular recommendation. They will send in their orders at once, that the stock they require may be reserved for them. They know from past experience that to secure their full supply they must order promptly.

To those who have never bought this stock from us we would briefly state that we are probably the largest growers of this small stock in the United States, and our sales each year amount to over a million plants—the stock going into almost every nursery in this country and Canada. We grow an exceptionally fine grade of plants which will give results, and it is absolutely true to name.

Don't delay your order until you are ready to plant. By that time the best of it will be sold. Send in your order now and have the stock reserved for you. It is all in cellars and shipment can be made at any time now.

FIVE PLANTS OF ANY ONE VARIETY SOLD AT THE RATE QUOTED PER TEN.
TWENTY-FIVE AT THE RATE QUOTED PER HUNDRED.
TWO HUNDRED AND FIFTY AT RATE QUOTED PER THOUSAND.

PACKING CHARGED EXTRA, AT COST. IF CASH ACCOMPANIES ORDER,
PACKING WILL BE FREE.

THE BEST RAFFIA

Red Star Brand

NEW PRICES effective January 1st, 1908, and continue until further notice.

There is probably nothing that will cause a nurseryman more annoyance, loss of time, and loss of money than a poor quality of Raffia, yet how few nurserymen consider this when purchasing their supply. A first quality Raffia costs little more, if any, than an inferior grade, but in the long run many dollars can be saved. Promiscuous brands have no standard, they may be low in price, but you are buying a "pig in a bag." You have no means of knowing the quality until you get it and if it is not good you have no redress because no standard has been fixed. **Red Star Brand Raffia** is not sold in that way. It has a standard quality in strength, color and good length of strands and back of that stands our **guarantee** that it is as represented or money refunded. No other dealer in Raffia will give you this guarantee. They cannot because they do not know the quality of their promiscuous brands. It took us years to work up a source of supply for a standard, uniform quality, and now that we have it we can guarantee it and our guarantee holds good.

There is more **Red Star Brand Raffia** sold to nurserymen in the United States than all the promiscuous brands put together. Through an advantageous contract covering the next few months we are able to quote the following prices. To secure these prices you should place your order immediately and we will hold the goods for shipment any time between now and the first of June. **TERMS**, net cash thirty days from date of shipment.

1 lb. at 18c. per lb.	50 lbs. at 10½c. per lb.	2 bales at 8¼c. per lb.
25 lbs. at 11c. per lb.	100 lbs. at 9c. per lb.	5 bales at 8c. per lb.
	1 bale (about 225 lbs.) at 8½c. per lb.	

Special Prices on application for lots of ten and twenty bales.

Hydrangea Paniculata Grandiflora

Strong 1-year Plants for Setting in Nursery Rows

Our strong one year plants are equal in size and vigor to the two year imported cuttings, and the percentage of loss in transplanting is far less. We have only a limited quantity to offer this year. Order at once. Shipment can be made at any time.

Price 50c. per 10; \$2.25 per 100; \$20.00 per 1000.

FRUIT SEEDS

APPLE, FRENCH CRAB—New crop is an entire failure. We have none to offer. We have a limited quantity of good, one year old seed. Most nurserymen are buying this. Sample on application. 40c. per lb., \$12.00 per bu., 10 bus. or over at \$11.50 per bu.

CHERRY, MAHALEB.—New crop stratified in sand. 40c. per lb., \$17.00 per bu., 3 bus. at \$16.00 per bu., 5 bus. at \$15.00 per bu.

PEAR, FRENCH.—Crop a complete failure—none to offer.

PEAR, KIEFER.—New crop. Fine quality. \$2.25 per lb., 25 lbs. at \$2.00 per lb., 50 lbs. at \$1.75 per lb.

PLUM, MYROBOLAN.—New crop stratified in sand. 40c. per lb., \$11.00 per bu., 3 bus. at \$10.00 per bu., 5 bus. at \$9.25 per bu.

QUINCE.—New crop. \$1.50 per lb., 5 lbs. at \$1.25 per lb., 10 lbs. at \$1.00 per lb.

Postage.—When seeds are to be sent by mail add 10c. per lb. for postage.

Good Knives For budding, our "Empire" is the best. All ivory tapered handle. Patented after our own idea. 80c. each, 6 for \$4.50. "D" is next. Cocoa handle. Blade closes. Very popular. 35c. each, 6 for \$2.00. "C" a substantial knife. Stationary blade. 25c. each, 6 for \$1.30. Two good Pruning Knives—"A" a lightweight knife for general use. Ebony handle, 75c. each, 6 for \$3.75. "B," the nurserymen's choice. Strong blade. Round handle, steel cap on end. Far superior to "A," 85c. each, 6 for \$4.75. Prices include cost of postage. **PRUNING SHEARS**—"E," 75c. each, 6 for \$3.90. "F" is much better. Made of forged steel, patent spring. These are strong, substantial, and undoubtedly the best shears on the market. \$1.00 each, 6 for \$5.75.

Labels Following are the kinds mostly used by nurserymen. For 10,000 or more we allow a discount of 10 per cent. 1,000 3½-in. and 100 6-in. in a package. Not less than a full package sold.

3½-inch, notched, iron wired, painted.....	\$1.00 per 1,000
3½-inch, notched, copper wired, painted.....	\$1.25 per 1,000
6-inch, notched, painted, but not wired.....	\$2.35 per 1,000
6-inch, notched, not painted or wired.....	\$1.75 per 1,000

Spades The Best Nursery Spade. D Handle, Double Strap, Reinforced Nursery Spade. Weight 9¼ lbs. Price, \$1.75 each, \$20.00 per doz. We have experimented with a number of different makes of nursery spades, but find this to be the strongest, best and most durable on the market. It is strapped full length of handle, both back and front, and half way up it has double straps, strengthening it in what otherwise would be its weakest parts. When ordering state if straight or taper blade is wanted.
