WHOLESALE PRICE LIST OF

1907 GLADIOLI 1908

FOR THE TRADE ONLY

ARTHUR COWEE

Gladiolus Specialist

Cable Address—Coweevale

Meadowvale Farm, BERLIN, Rensselaer Co., N.Y., U.S.A.

AFTER years of careful selection from the named novelties of the world, combined with the cream of the Hybrids originated by Mr. H. H. Groff, I am prepared to offer the Seedsmen and critical Growers stock of such quality and strength as cannot be duplicated at my prices.

My named varieties are true, and my color sections are as pure as experienced labor can make them. My Mixtures and Collections are prepared, not grown, and are well balanced. In the preparation parentage is a secondary consideration, the main object being to furnish the highest quality and strongest vitality possible, commensurate with the cost of labor and intelligence required to produce such.

The best testimonial I can offer is the fact that so far the largest increase in my business is from satisfied customers.
