Mrs. Lawson — A graceful, charming pink whose popularity never wanes. Every grower must have it. \$2.50 per 100; \$20.00 per 1000.

O. P. Bassett—A magnificent new red which has scored first against all competitors since introduction. Flowers average 3½ inches, with firm calyx and long stiff stems; coming on in October and fully in crop for Christmas. The color is that good, true, reliable red that needs no modifying adjectives, and catches on at first sight. \$6.00 per 100.

Rose Pink Enchantress — Is filling the want of a rose-pink shade and proving one of the best money makers. Good producer and as easily handled as Enchantress. \$3.00 per 100; \$25.00 per 1000.

White Enchantress—While this sport has appeared in a great many different localities, we are convinced that our supply will afford satisfaction, as it is one of the purest white flowers, and has every other good characteristic of Enchantress. \$3.00 per 100.

White Perfection—Has given general satisfaction for two seasons; a good sized white, very free, strong and continuous bloomer. Will be grown extensively again. Has the good old fashioned clove fragrance. \$3.00 per 100; \$25.00 per 1000.

Windsor—A particularly charming sort of large size and very good quality. Color, a distinct shade of bright silvery pink. \$4.00 per 100; \$30.00 per 1000.
