To the Trade

We take pleasure in sending you this price list of our offerings for fall 1910. We have been favored with a good growing season and our trees are going to be as good or better than ever. Our **ONE YEAR CHERRY** are on new land which seemed to be especially adapted to their best development and the result is very gratifying indeed, as we think we have the finest block in the country. For the first time in several years we planted some apple grafts which now promise to give us a fine lot of trees suitable for the western planter.

A certificate of inspection issued by the State Entomologist goes with every shipment.

The Western Union Night Letters now enable you to send your orders by wire at very little expense and we trust you will use that method whenever time is a consideration. Use the Nurserymen's Code. We are prepared to pack out rush orders in the shortest possible time. Four railroads and three express companies give the best of service.

TWO YEAR CHERRY

Our two year Cherry are very fine. They are good height, stocky, smooth, well rooted and well branched. Can furnish a limited number of extra large trees which are just the thing for a high class retail trade. They still retain most of their leaves which shows vigor and vitality. Our trees average **HEAVY** and the $\frac{3}{4}$ -1 in. grade will contain a large per cent. above the $\frac{3}{4}$ in. limit.

Cherry 2 yr. $1\frac{1}{8}$ in., 6-7 ft. @.....	\$20 per 100
Cherry 2 yr. 1 in. up. 6 7 ft. @.....	\$15 per 100

FOR 1911

We wish to call your attention to the fact that we have a fine block of Cherry which will be two years old fall 1911 and are ready to quote prices for delivery then. We also expect to have our usual supply of one year Cherry for fall 1911. Come and look over the stock and be convinced of its worth. Shall be glad to have you visit us in June 1911 when the Nurserymen's Convention meets in St. Louis. We are just 150 miles east of St. Louis.
