SURPLUS LIST NORTHERN GROWN SEEDS

November 20th, 1911.

We find we have a surplus of the following varieties of garden seed beans, after filling our contract orders. These are all 1911 crop and in first-class condition. They were thoroughly rogued, milled and handpicked, are free from all mixture and true to name.

We offer them at the following prices, subject to their being unsold. Prices are for beans delivered on cars at Petoskey, bags extra at value. Wire orders at our expense.
