SURPLUS STOCK

—FROM—

The Huntsville Wholesale Nurseries

HUNTSVILLE, ALA.

Shipments from St. Louis, Mo., Rochester, N. Y.
and Philadelphia, Pa.,

ONE DAY'S NOTICE

WE have for the past thirty-two years offered in assorted lots in Spring such stock as we had in surplus. Herein is a schedule of what we now have in St. Louis, Rochester and Philadelphia for immediate shipment. The stock is exclusively of our own growing at Huntsville, Alabama, fresh dug this Spring, packed in the best manner and warranted in fine condition. Everything is fine of the grade, with full fibrous roots, and not culled, as we adhere to a strict system of grading.

BELOW THE BLIZZARD LINE

Everything is bright, green and fresh—sound to the tips. Nearly all the sorts offered are standard sorts, such as most nurserymen can use in assortment with their own growing. Orders should be sent in as soon as possible, but the stock need not be shipped until wanted, as we are prepared to hold it in good condition. We have nothing for sale not offered in this list.

It will be noticed by some of our correspondents that we have refused orders the past season for several articles listed. Our fear of overselling and some countermands are responsible for this. We ask attention to the small-sized trees offered for transplanting into nursery rows. All of the small trees, as well as the large ones, are nicely rooted, and everything is young, smooth and bright.

We can refer to nurserymen who have bought of us in every State and Territory. We can give satisfaction, and guarantee it for these shipments.

TERMS; Cash with order, or 30 to 60 days from date of shipment to responsible, prompt-paying parties. In box lots the price of boxes is included, but the price of boxes on orders from the nurseries is extra.

For convenience in telegraphing a cipher is given. The cipher word stands for one box only in cases where there are more than one in the same assortment.
