ANNOUNCEMENT

Our Nurseries were established at Chanute in the year 1878 and have been continuously under the same management.

We grow our stock with great care, paying especial attention to keeping varieties true to name and free from diseases of all kinds. Our trees are all grown on upland, which insures a firm, thoroughly ripened growth, adapted to all soils.

SHIPPING FACILITIES.

Our packing grounds and storage plant are situated within three blocks of freight depot and our railroad shipping facilities are unexcelled—we have the M., K. & T., and the Santa Fe.

PACKING.

We begin shipping from October 5 to 10, and continue until freezing weather stops work. We box in a thorough manner in paper lined boxes, for which a moderate charge is made.

Car lots are packed free.

No charge is made for drayage.

PRICES.

The quotations in this list are for the wholesale trade only, and limited to Fall of 1912. Should prices change either higher or lower during the season, the prices made at the time of order are expected to stand.

RATES.

Fifty trees, of not less than ten of a variety, will be furnished at hundred rates; three hundred trees of not less than ten of a variety at thousand rates. Long lists of varieties of a few trees of a kind subject to higher prices. All trees above the $\frac{1}{2}$ to $\frac{3}{4}$ grades are tied in bundles of ten in grading. Order tens or multiples of ten of a variety as far as possible.

GRADES.

We grade carefully, in some cases by caliper, in others by height. When graded by both caliper and height the caliper must govern.

Dealers wishing to pack on our grounds will find our facilities first class and their orders will receive prompt attention.

CLAIMS.

All claims for errors and deductions must be made within ten days after receipt of goods.

CAUTION.

We accept all orders on the condition that they shall be void should injury befall our stock from frost, hail, fire or other causes over which we have no control.

TERMS.

Cash or satisfactory security, except we extend the usual terms of credit to known, responsible nurserymen. Orders to be sent C. O. D. should be accompanied by one-fourth cash to receive prompt attention.

We urgently request correspondence and trial orders from new customers, feeling confident that you will be well pleased with our stock and methods of doing business.

GUARANTEE OF GENUINENESS.

While we exercise the greatest diligence and care to have our stock true to label, it is mutually agreed between ourselves and the purchaser, that our guarantees of genuineness shall in no case make us liable for any sum greater than that originally paid for stock that proves untrue.
