These prices are for beans delivered f. o. b. Petoskey as soon after harvest as they can be put in condition for shipping. All are to be grown from our own selected seed stock. Crops are to be thoroughly rogued in the field, carefully harvested, milled and hand-picked. Bags are to be extra at value. Terms are net 60 days, 1½% discount for cash in ten days from date of invoice. Delivery is subject to the usual crop conditions.

We will grow any variety of bush beans, not listed above, provided we can secure suitable stock seed. Write for prices, if interested.

We are also growers of Seed Potatoes, and will gladly name prices on 1912 crop, on request.
