FALL TRADE LIST, 1912.

1840 **Old Colony Nursery** 1912

T. R. Watson

Plymouth, Massachusetts

Prices on this list net and subject to stock not being sold.

GUARANTEE.—We take the greatest pains to have every plant marked true to name. Any plant incorrectly marked will be promptly replaced, or money returned. We do not guarantee any more than the original cost of the plant.

We can not guarantee plants to live, at the prices of this catalogue. We send out young, thrifty plants, which should live if properly planted and cared for.

Delivery of all packages to freight or express free.

We do not pay either freight or express.

All plants at the risk of the purchaser after they are delivered to the public carrier.

Please say whether you will have your order sent by freight or by express.

Meeting dates: Where sufficient notice is given, weather permitting, plants will be shipped on a given date.

Please give date on which you want them shipped, and not the date on which you want them to arrive.

No man living can tell how long it will take a freight package to reach any point in the country, at a moment's notice.

On orders received before the middle of March, the schedule time of freight will be ascertained, if desired.

Express packages arrive in Boston on day of shipment.

Express packages arrive in New York on following day.

Freight packages arrive in Boston the day after shipment.

Freight packages due to arrive in New York the day after shipment.

TERMS.—Cash with order or satisfactory references, except where parties are known.

Bills of regular customers become due June 1st for Spring shipments; January 1st for Fall shipments.

Box, 10 cents to 50 cents. Bales 25 cents to \$1.50.

CASES.

2 ft. by 2 ft. by 10 ft.,	\$2.00	20 in. by 20 in. by 10 ft.,	\$1.75

Fruits wanted in quantity can be furnished on all lists received before the middle of September. Prices will be quoted on any list of varieties calling for 100 or more Apples, 100 or more Peaches, etc., etc.

Varieties of fruits not offered in this list, we can obtain, at a reasonable price, when the order is received before the middle of September.

PLANT TREES WITH

DU PONT

Red Cross Dynamite

Stops First Year Losses.

Speeds Up Development

One to Two Years.

**Improves Quantity,
Color and Quality of Fruit.**

Planted in
Dynamited hole
Photographed
from life

Planted in
Spade-dug hole
Photographed
from life

The illustrations herewith are correct reproductions of photos of two-year old Bing Cherry trees planted same day out of same shipment. Similar results have been obtained all over the country. The root diagrams show the reason. You can't afford to plant trees in spaded holes.

WRITE FOR FREE BOOKLET.—To learn how progressive farmers are using dynamite for removing stumps and boulders, planting and cultivating fruit trees, regenerating barren soil, ditching, draining, excavating and road-making, ask for "Tree Planting Booklet, No. 18."
