NEW LARGE FLOWERING PETUNIA MICHELL'S "MONSTROSUS"

A great acquisition to the list of Large Flowering Petunias, surpassing the well known Giants of California. The flowers are of immense size, quite a number of which are elegantly fringed. The colorings, markings, veinings, blotches, etc., are superb, and many of them have deep throats of various shades. Plants of dwarf habit.

Half trade packet, 60c.; \$1.00 per trade packet.
