TO MY CUSTOMERS.

This is my sixth year in business at Stafford Springs, Conn. (having succeeded the Stafford Floral Co. July 1, 1906) growing Chrysanthemum Plants and Rooted Cuttings as well as the general line herein listed, for the trade. In Chrysanthemums I aim to grow only the kinds that can be called easy doers—the bread and butter kind—such as will produce a good flower on good stem under ordinary good care. I believe to offer a list covering the entire season, with the best there is in Mum's and sufficient variety for all commercial purposes.

TERMS.

Quantity. Twenty-five of one kind will be sold at the 100 rate, 250 at the 1000 rate,—where less than 25 of one kind are wanted we reserve the right to advance the price.

Orders from new customers must be accompanied by remittance or satisfactory reference.

All orders filled in strict rotation and as soon as stock is ready.

Non-Warranty—While we exercise the utmost care to make every shipment satisfactory and profitable to you, and keep stock true to name; *we give no warranty, Express or Implied*, on same, either as to variety or product. Where loss occurs through our fault we will take pleasure in correcting it, but cannot be held responsible for damages occurring in transit. All claims must be made immediately upon receipt of goods. Later claims will not be considered.

All shipments are carefully packed and forwarded at the special 20% less than merchandise rates.

Prices given may be reduced later in the season where stock and demand will permit.
