GENERAL DIRECTIONS TO CUSTOMERS

Attention to the following directions will be an aid to purchasers as well as to ourselves.

Order Early. It will enable us to better prepare for the Spring trade if we have your order on file.

Cash with Order. Kindly send money sufficient to cover the entire bill. We do not make shipments C. O. D. unless remittance has been made on account to guarantee acceptance.

Remittances. Remittances should be made by Post-Office Money Order or by New York drafts. If money is sent the letter should be registered. All prices quoted in this list are strictly net.

Packing. No charge is made for boxes or packing on orders amounting to \$1.00 or more. For all orders under \$1.00 a charge of 15c. will be made for boxes and packing.

Shipping Instructions. Give your Name, Post-Office, County and State, and the name of your nearest Express Office to which shipment is to be made.

Express Companies. We have only the Adams Express Company from Cromwell.

Correspondence. We endeavor to answer all correspondence, but owing to the pressure of business during the Spring we request that questions be clearly and concisely stated.

Errors. Keep a copy of your order. We aim to have our orders correctly filled. Where we are at fault we shall make satisfactory correction.

Oriole

ANEMONES

The Anemone flowers consist of one or more rows of flat or tubular ray florets with shorter quilled or tubular disc florets of the same or a distinct color, and are being grown in sprays for artistic floral arrangements.

Garza. Pure white with white center.

Yellow Garza. Light yellow with yellow center.

Mikado. Yellow; double row of petals.

Mary Colladay. Pink; resembles Garza in form.

Plants from 2-inch pots, 10c. each, \$1.00 per doz.,
\$6.00 per 100.

3 of a variety at the dozen rate; 25 of a variety at the
100 rate.

Singles

Good for cut sprays and also useful for specimen plants.

Oriole. A decided novelty; probably the most showy single variety in existence. Owing to the character of the flower as shown by the accompanying illustration, it is not a variety to be recommended for cut sprays for florists' use but is purely decorative. It makes a most excellent pot plant, and planted in a mass will make a gorgeous showing in the Fall.

25c. each, \$2.50 per doz.

ANEMONES—Continued

YELLOW

Golden Star. Rich yellow, bright orange disc. One of the best.

Kitty Bourne. Charming yellow; stiff stems.

Margaret Totty. Deep golden yellow; very large flowers; splendid stiff stems. Easily the best yellow single variety in cultivation.

Emma L. Davis. Splendid stiff-stemmed yellow.

Mary Richardson. Salmon yellow. One of the most distinct.

Merstham Jewel. Golden bronze with yellow points and center.

PINK

Ladysmith. Rich pink; very free bloomer; dwarf habit.

RED

Miss Hilda Wells. Beautiful Tuscan red with a light yellow tinting at base of petals.

Ceddie Mason. Bright crimson; medium-sized flowers; make wonderful display.

Sylvia Slade. Rosy garnet with broad pure white ring around the disc; as true as a Cineraria flower. The habit and freedom of flowering is superb.

10c. each, \$1.00 per doz., \$6.00 per 100.

3 of a variety at the dozen rate; 25 of a variety at the 100 rate.

Mary Richardson

Geraniums

RED

S. A. Nutt. Considered to be one of the best dark red Geraniums and is more generally used both as a pot plant and for bedding than any other kind; the color is a handsome dark velvety deep scarlet with maroon shading; a vigorous compact grower, with a clean healthy constitution.

Marvel. Very strong in growth; an excellent bedding variety. Deep red in color. Flowers very double.

Edmond Blanc. One of the most handsome and brilliant Geraniums in the cerise shade; the color is bright carmine shaded around the white eye and on upper petals with bright scarlet; the flowers are perfectly formed, borne in large trusses, blooming freely the entire season; attractive and beautiful bedder; a strong constitution enabling it to withstand the Summer sun with perfect immunity.

Alice Raymond. Double light red flower with lighter eye at the center. Excellent variety.

SALMON

Beaute Poitevine. A great favorite and conceded to be one of the best of the semi-double bedders among the light salmon shades; the color is a beautiful shade of pink, delicately shading to white; the flowers are large splendid trusses; a most profuse bloomer the entire season.

Mme. Landry. One of the choicest and handsomest of the Bruant type; very free and constantly in bloom; the flowers are large and borne in enormous trusses. The color is a brilliant shade of apricot salmon shading to copper with white eye; in habit it is robust, semi-dwarf and vigorous.

	Each	Doz.	100
3-inch.....	\$0.10	\$1.00	\$8.00
4-inch.....	.15	1.50	12.00

WHITE

Comtesse de Harcourt. Pure white flowers with beautiful florets and enormous trusses which stand the sun well; perfect habit; deep rich green foliage.

PINK

Miss F. Perkins. A constant bloomer with well-formed flowers, produced in large clusters; the color is a charming shade of deep rose, shading to a clear white center. Splendid habit of growth; strong constitution, standing our extreme climatic condition in excellent shape; a favorite bedder.

Mme. Jaulin. Very large flowers produced in enormous trusses; color peach pink surrounded by a white border; unparalleled for beauty and freshness; habit dwarf, vigorous and compact; broad, deep zoned foliage; one of the best in this class.

Thos. Meehan. Very deep pink in color; heavy double flower; very strong grower.

Geranium

GERANIUMS—Continued

Berthe de Presilly. A most beautiful shade of silver rose pink of exquisite brightness; the flowers are full and of perfect form; trusses large and freely produced; the habit is dwarf, robust and branching; a fine bedder and excellent pot plant.

Mrs. Annie Vincent. An exquisite shade of the brightest carmine, each petal somewhat maculated white at the base so that the flowers are almost incomparable in their brightness and freshness; handsome, large, and beautifully formed semi-double flowers, borne in enormous trusses abundantly produced the entire season; habit semi-dwarf and robust.

Paul Blonden. Semi-double flower, clear pink in color with a white eye at the center.

Cannas

Mrs. A. F. Conard. Its exquisite salmon-pink flowers are of largest size in erect and abundantly furnished heads, so freely produced as to keep a superb showing for months above the rich green foliage.

30c. each, \$3.00 per doz.

Austria. Pure golden yellow; flowers 6 to 7 inches across; a vigorous grower.

Buttercup. The best and most beautiful pure bright, deep canary-yellow Canna in existence.

Florence Vaughan. Rich golden yellow, thickly spotted with bright red.

Gladiator. The color is yellow spotted with red; a strong vigorous grower with fine green foliage and large heads of flowers that stand the storms and sunshine better than any other Canna. It blooms continually and is one of the finest varieties we offer.

Jean Tissot. Intense brilliant vermilion with orange shading.

J. D. Eisele. Bright vermilion scarlet.

King Humbert

CANNAS—Continued

King Humbert. Has flowers as large as the largest of the Orchid-flowering Cannas. Bright orange scarlet streaked with crimson. Foliage is bronze with brownish-green stripes; thick and leathery; strong, robust grower.

Louisiana. The plant is a vigorous grower, producing a thick mass of glossy green foliage; its flowers are often more than 7 inches across and every inch a vivid scarlet. It blooms tremendously, often four or five stalks flowering at once.

Mme. Crozy. Popular and valuable; orange scarlet flowers edged bright golden yellow.

Miss B. Brunner. Yellow flower with scarlet variegation; green foliage; medium grower.

Paul Marquette. Green foliage; flesh pink flower with slight scarlet variegations; tall in growth.

Pennsylvania. The flowers are pure, deep scarlet of immense size. A most excellent sort.

Pres. McKinley. Deep, rich crimson flowers; beautifully formed. A compact grower; green foliage.

Prof. Rodenwaldt. Scarlet flowers; green foliage; very similar to Pres. McKinley.

Queen Charlotte. Rich pomegranate red bordered with bright gold yellow.

Richard Wallace. Canary yellow; large flowers; one of the best.

Rubin. Glowing ruby-carmine flowers produced in profusion; one of the best for bedding; bronzy-green leaves.

Venus. The color is a gay, rosy pink with a mottled border of creamy yellow. Blooms splendidly with heads erect and flowers bright, because the old ones drop off as fast as the new ones come.

Wyoming. One of the most majestic Cannas. Blossoms orange colored, true Orchid shape with large rounded petals.

15c. each, \$1.50 per doz., \$12.00 per 100.
