Wholesale Price List
OF
Native Plants and Trees.

Charles G. Curtis
Collector and Grower

CALLICOON, SULLIVAN CO.
NEW YORK.

I OFFER THE FOLLOWING LIST OF STOCK IN CAR LOAD LOTS.

All plants and trees are of good quality, true to name, and are lifted with a good ball of earth and packed in cars with moss and thoroughly wet before shipping. This stock is free from all disease and injurious pests.

Number of plants per car as quoted below, is based on floor space of car. When customer desires more plants in car than the floor space will hold, the car can be double decked. The capacity of the upper deck will be about two-thirds of the floor space schedule. Or if customer prefers to have plants packed by laying them flat, and packed to the roof bound every 3 feet, a car packed this way will hold about 4 times the floor space schedule.

I have had 10 years experience in shipping and growing native plants and trees, and feel confident that I can satisfy my customers. I have ready for shipment this year 75,000 **ESPECIALLY FINE RHODODENDRON MAXIMUMS**, 18 in. to 3 ft. high, that I have grown. I will be pleased to show my stock at any time, also to give reference.

When burlapping is desired an extra charge of 8 to 15 cents per plant will be made.
