THIS IS OUR AGENT

We do a regular retail nursery business. Anything we do not grow we buy from wholesale nurseries, and can sell to you at the regular retail price.

LET US KNOW YOUR WANTS AND WE WILL TRY AND HELP YOU

Our small peach and apple will in two years be larger than our large trees. Will grow better tops and roots on your own ground.

Red Cedar, 12 to 18-inch - 10c

Red Cedar, 18 to 24-inch 12 1-2c

These Cedars were gathered from the Ozark Mountains and grown in nursery one year. They stand the climate of Kansas, Nebraska, and Oklahoma. The right stuff for City Parks, Cemeteries, Lawns, Driveways and Windbreakers. We will pay Postage or Express where we receive money before shipment on all orders.

THEY WILL SUIT YOU.

Plant early, cultivate well the first year. We pack roots in moss wrapped in paper, sewed in burlap. They will reach you in good condition.
