To the Nursery Trade:

Berry Plant and Fruit Growing is our specialty.

We grow the finest quality of plants by the million—graded right, priced right, usual terms. Let us have an opportunity to quote a price on your want list.

Headquarters (Badge 157) for

Black Raspberry Plants

Cumberland, Gregg, Kansas and Plum Farmer.

Headquarters (Badge No. 157) for

Purple Raspberry Plants

Cardinal, Columbian, Haymaker, Royal Purple and Shaffer's Collossal.

Headquarters (Badge No. 157) for

Red Raspberry Plants

HERBERT—The best yielder of the finest large berries of all reds.

ST. REGIS—The ever-bearing Red that has made good and has been the biggest seller in a single season for the most money of any Red Raspberry ever introduced. My orders from the trade 1914-15 exceeded $\frac{1}{2}$ million plants. The earliest Berries are getting ripe this present week. It is the earliest and latest of any raspberry grown. **SO COME TO HEADQUARTERS, (Badge No. 157).**

Eaton Red Raspberry

A great yielder—of more stocky growth than any other Red sort.

Perfection Red Raspberry

Derived its name perhaps, because it makes very few sucker plants.

MARLBORO—One of our best Reds. Also LOUDON, CUTHBERT, EARLY KING and MILLER grown in large quantities.

Yellow Raspberry

The Golden Queen. The best of all Yellows, and I hope soon to offer a NEW YELLOW which propagates from the tips—the same as the black and purple varieties do.

Blackberry Plants

(Root cutting stock) Eldorado, Blowers, Mercereau, Ward, Snyder, Rathbun, Erie, Ohmer, Early King, Early Harvest and Lucretia Dewberry.
