Hardy Garden Roses

THE Rose is becoming one of the most popular bedding plants, and deservedly so, for the American people are learning the beauties of the Rose, and to know that Roses are easy to grow and care for.

In old-fashioned gardens and along walks, the bush Roses and Polyanthas are a source of constant delight to all who grow them, and Climbing Roses on arbors and trellises do much to make the garden a beauty spot.

Spring planting for the amateur is to be recommended, and established plants will give the best results. Be certain that the soil is rich and well drained. For Winter protection soil is the best covering. Keep down insects with the spray pump, supply plenty of water to the plants, and Roses that will be the source of much pleasure are assured.

All plants offered in this list are established plants, in growing condition for May and June delivery. Shipped by express, properly crated and in paper pots.

Hybrid Tea Roses

THE following are the true and tried varieties of Bedding Roses, and are offered in the belief that they are safe varieties for the garden. This class of Roses, owing to the freedom of blooming and beauty of individual bloom, are becoming the leading Bedding Roses.

ANTOINE RIVOIRE

Rosy flesh on yellow ground, shaded with a border of carmine. This Rose is better known under the name Mrs. Taft, it being grown for cut flowers extensively and the cut flowers are sold under this name. It is a most excellent bedding Rose.

From 5-inch pots, 50c. each; \$5.00 per dozen.

From 4-inch pots, 40c. each; \$4.00 per dozen.

BON SILENE

Bright carmine rose color. One of the oldest and best-known Roses. It is not exceptionally hardy, but very floriferous.

From 4-inch pots, 40c. each; \$4.00 per dozen.

DOUBLE PINK KILLARNEY

A sport of Killarney, lighter in color, but with more petals. A most excellent bedding Rose, its color being much deeper when grown out of doors than when greenhouse grown.

From 5-inch pots, 50c. each; \$5.00 per dozen.

DOUBLE WHITE KILLARNEY

(Budlong)

A more double flower than White Killarney and much purer white in color. Our stock of this variety is exceptionally fine.

From 5-inch pots, 50c. each; \$5.00 per dozen.

From 4-inch pots, 40c. each; \$4.00 per dozen.

ENCHANTER

Pure, clear pink in color; cup-shaped in form; a very beautiful Rose. It is one of the parents of My Maryland and resembles it very much.

From 4-inch pots, 40c. each; \$4.00 per dozen.

GEN. MacARTHUR

Large, bright, crimson flowers; very fragrant. One of our best red bedding Roses.

From 4-inch pots, 50c. each; \$5.00 per dozen.

KAISERIN AUGUSTA VICTORIA

Soft, pearly white in color, shading to yellow. Very double and very fragrant.

From 5-inch pots, 50c. each; \$5.00 per dozen.

KILLARNEY

Our most widely grown forcing Rose. Light pink in color with long, pointed buds. Very floriferous.

From 5-inch pots, 50c. each; \$5.00 per dozen.

KILLARNEY QUEEN

The cerise-pink sport of Killarney. Stronger in growth than its parent and much more highly colored.

From 4-inch pots, 50c. each; \$5.00 per dozen.

LADY ALICE STANLEY

Deep, clear rose color; inside of the bloom pale flesh color; a very attractive Rose. The blooms are large, of great substance, and are produced freely. The Rose is exceptionally hardy.

From 5-inch pots, 75c. each; \$7.50 per dozen.

LADY HILLINGDON

Deep, golden yellow in color; the most highly colored of the yellow Roses. Very free in growth and very floriferous. It is hardy if well protected.

From 5-inch pots, 75c. each; \$7.50 per dozen.

LA FRANCE

Satiny pink in color. Large, full flowers.

From 5-inch pots, 50c. each; \$5.00 per dozen.

LAURENT CARLE

Brilliant carmine in color; perfect in form. A most excellent bedding variety under all climatic conditions. Vigorous in growth and very hardy.

From 5-inch pots, 75c. each; \$7.50 per dozen.

MAMAN COCHET

This variety is generally known as Pink Cochet. Extra strong in growth, producing bloom in great profusion. Deep, rosy pink in color; one of our best pink bedding Roses.

From 5-inch pots, 50c. each; \$5.00 per dozen.

From 4-inch pots, 40c. each, \$4.00 per dozen.

MISS CYNTHIA FORDE

Deep, brilliant rose color, shading to light, rosy pink. It is very free flowering and very fragrant.

From 5-inch pots, 75c. each; \$7.50 per dozen.

MME. CAROLINE TESTOUT

A variety it is always safe to recommend. One of the most popular and valuable bedding varieties. Large, full flowers of bright, satiny rose color.

From 5-inch pots, 50c. each; \$5.00 per dozen.

MME. JENNY GUILLEMOT

A soft delicate shade of yellow. Has long buds developing into large flowers of good substance. A very attractive Rose and a most excellent bedding variety.

From 5-inch pots, 75c. each; \$5.00 per dozen.

MME. P. EULER

Vermilion silvery pink in color. Perfect in form; large, full and very fragrant.

From 5-inch pots, 50c. each; \$5.00 per dozen.

MME. JULES GROLEZ

A beautiful satiny rose color; finely formed flowers. It is a free flowering variety and very distinct.

From 5-inch pots, 50c. each; \$5.00 per dozen.

MME. RAVARY

Very distinct in color which is deep yellow, shading lighter as the flower opens.

From 5-inch pots, 50c. each, \$5.00 per dozen.

MRS. AARON WARD

Apricot yellow in color, shading to soft pink in the open flower. The variety is very hardy and we have no hesitation in recommending it as the best yellow bedding Rose.

From 5-inch pots, 50c. each; \$5.00 per dozen.

MRS. A. R. WADDELL

Delicate rosy salmon color. Flower of medium size; very attractive in bud form. It is very free flowering and comparatively hardy.

From 4-inch pots, 50c. each; \$5.00 per dozen.

MRS WAKEFIELD CHRISTIE-MILLER

Soft, pearly blush, shaded salmon. The outside of the petals clear vermilion rose color. A remarkable color combination. Flowers much resembling the hybrid perpetual form.

From 5-inch pots, 75c. each; \$7.50 per dozen.

MY MARYLAND

One of the finest American Roses. Very free blooming, every shoot bearing one or more flowers. It is very double, perfect in form, bright clear pink in color.

From 4-inch pots, 40c. each; \$4.00 per dozen.

RADIANCE

Another American Rose of exceptional merit. Deep cerise pink in color; cup-shaped in form; exceptionally strong growth and exceptionally hardy. One of our best pink bedding Roses.

From 5-inch pots, 50c. each; \$5.00 per dozen.

RHEA REID

Strong in growth with heavy double flowers, crimson in color, strongly resembling Gen. Mac-Arthur.

From 4-inch pots, 40c. each; \$4.00 per dozen.

RICHMOND

Bright scarlet in color with long pointed buds. Very free in growth.

From 4-inch pots, 40c. each; \$4.00 per dozen.

WHITE KILLARNEY

Comes with a trace of pink in the hot weather of Midsummer. Strong in growth and very floriferous.

From 5-inch pots, 50c. each; \$5.00 per dozen.

From 4-inch pots, 40c. each; \$4.00 per dozen.

WHITE MAMAN COCHET

A pure white sport of Maman Cochet that is a counterpart of its parent, except in color. It is highly recommended as one of our best white garden Roses.

From 5-inch pots, 50c. each; \$5.00 per dozen.

From 4-inch pots, 40c. each; \$4.00 per dozen.

Hybrid Perpetual Roses

AS a class they are the most hardy of all Roses, and for beauty of coloring and form of individual flowers there are some wonderfully magnificent varieties. The following are considered the best of the Hybrid Perpetual Roses.

Plants from 5-inch pots, 50c. each; \$5.00 per dozen.

Clio. Very delicate flesh-colored bloom, globular in form.

Baroness Rothschild. Satiny rose in color.

Hugh Dickson. Brilliant crimson, shaded scarlet, very large and very fragrant.

Frau Karl Druschki. Pure white in color, perfect in form, and very free flowering. The best white variety.

Gen. Jacqueminot. Scarlet crimson in color. An old favorite.

Magna Charta. Bright pink in color.

Mme. Gabriel Luizet. Large, full flowers, cup-shaped in form. Pale, clear pink in color; very fragrant.

Mrs. John Laing. Beautifully formed flowers; soft pink in color and very free flowering.

Mrs. Sharman Crawford. Deep rose pink in color; one of the finest.

Paul Neyron. Dark pink in color; very large bloom.

Ulrich Brunner. Bright cherry red, flowers large and full.

Climbing and Trailing Roses

SUITABLE for training over arbors, porches, fences, or other objects. They all bloom profusely and are hardy under almost any conditions. The addition of the Single varieties to your Rose garden will add much to its attractiveness.

Established 5-inch pot plants, 50c. each; \$5.00 per doz.
(except where noted)

American Pillar. A single-flowered variety bearing pink flowers in heavy trusses. It retains its foliage until late in the Fall and is very ornamental. We can supply larger specimens than the regular grade at \$1.00 each.

Crimson Rambler. A well-known and very popular variety. A strong, rank grower that produces heavy trusses of brilliant, double crimson flowers in great profusion.

Dorothy Perkins. A splendid variety. Bright, glossy foliage that always looks healthy and beautiful clusters of pink flowers. It is to be highly recommended for general planting.

Flower of Fairfield. Very similar to Crimson Rambler in every respect, except that it shows ever-blooming tendencies, the new growths from this variety being terminated with clusters of flowers.

Goldfinch. The best yellow Rambler.

Hiawatha. The most brilliant colored single Rose. In color a brilliant carmine with a clear white eye and a mass of golden stamens. It is a glowing combination of color and a variety you must know to appreciate.

Lady Gay. Vigorous in growth with flowers of delicate cerise pink in heavy clusters. The combination of deep pink buds shading to softer pink in the open flower, combined with the glossy green foliage, makes this variety one of the most charming of the Ramblers.

Newport Fairy. With flowers of deep pink, shading lighter toward the center, this is one of the most valuable single Roses. Its large clusters are borne in great profusion and the variety is a strong grower. We can supply, in addition to the regular grade, extra large plants at \$1.00 each.

Sodenia. A scarlet Wichuraiana, producing its flowers in large trusses, like Dorothy Perkins, and in great profusion. Its foliage is hard and not susceptible to mildew, and it is hoped that this novelty will fill a long-felt requirement as a scarlet Wichuraiana. Heavy established 5-inch pot plants, \$2.00 each.

Tausendschon. An entirely distinct Rose. The individual flowers are large and of a most elegant and graceful form. In color a most delightful shade of soft pink; produced in trusses. It is to many the most attractive and charming of the climbing Roses.

We can supply, in addition to the regular grade, extra heavy specimens at \$1.00 each.

White Dorothy Perkins. A counterpart of Dorothy Perkins, except in color. Showing a faint trace of pink in bud, opening to a pure white flower, it is the most choice of the white Ramblers.

Moss Roses

Roses that are very attractive in the border on shrubbery planting. The buds are surrounded by a mossy covering that makes the flower attractive and unique, and the addition of a few Moss Roses adds variety to the collection.

Plants from 5-inch pots, 60c. each; \$6.00 per doz.

Blanche Moreau. Pure white; large, full and very fragrant.

Crested Moss. Pink in color. Very distinct.

Red Moss. The best of the type. Very hardy and vigorous.

Bourbon Roses

A distinct class of ever-blooming Roses with dwarf, bushy habit, medium sized and very double flowers, borne in clusters in great profusion.

From 5-inch pots, 2-year-old, 50c. each; \$5.00 per doz.

From 3-inch pots, 1-year-old, 20c. each; \$2.00 per doz.

Clothilde Soupert. One of the most hardy and a grand bedder. The outer petals are pure white, shading to a delicate pink at the center.

Hermosa. An old garden favorite. Large flowers, very double and fragrant, bright rose color. A constant bloomer.

Baby Rambler and Polyantha Roses

TYPE that is deservedly popular. Compact plants that are profuse bloomers and an assortment of varieties that give a wealth of color to the Rose garden. Always in bloom, from Spring until frost, and absolute hardiness are but a few of the good points in this class.

Established 5-inch plants, 50c. each; \$5.00 per doz.
(except where noted)

Annchen Muller. Large clusters of brilliant rose-pink flowers.

Erna Teschendorf. A novelty in Polyanthas. Brilliant carmine red in color. A valuable new acquisition. \$1.00 each, \$10.00 per doz.

Jessie. A bright cherry red in color, with a white eye at the center.

Katherina Zeimet. The white Baby Rambler.

Mme. Norbert Levavasseur. In flower similar to Crimson Rambler. The best known of the type.

Mrs. Wm. Cutbush. A beautiful shade of pink in color. Very profuse bloomer.

Orleans. Brilliant cerise in color with large white center. A beautiful combination of color and a most excellent variety.

Forcing Roses

MILADY

A cross between Richmond and J. B. Clark, taking from the parent J. B. Clark strong growth with heavy petalage and excellent fragrance. From the parent Richmond it takes color, being similar in the bud but as an open Rose it is distinct in color. It is not as crimson as Richmond, but it is a pleasing shade of red. The flower opens beautifully at all seasons of the year, and owing to its beautiful form in the wide open stage the variety has made a decided impression on all those who have seen it, both on the exhibition table and growing. It shows strong character of growth and is one of the heaviest producing varieties grown. It has been awarded certificates of merit from practically all the Horticultural Societies in the East. It has been exhibited from time to time all Winter, and is considered by those who know Roses, the best new Rose of the year.

MRS. GEO. SHAWYER

(Lowe & Shawyer, England, 1911. C. H. Totty, 1913)

MRS. CHAS. RUSSELL

(Waban Rose Conservatories, 1913)

A strong growing, free-flowering Rose with heavy foliage. Bud is large, shaped like American Beauty. In color a bright pink deepening toward the center.

IRISH FIRE FLAME

A new departure in Roses for Winter forcing. Irish Fire Flame is a single Rose with only five petals, and is the most striking and the best single Rose Messrs. Dickson & Son have ever raised. It flowers profusely during the Winter months. The bud is an intense fiery crimson at the top, shading at the base of the petals to a rich orange salmon. The open flower is bright salmon. It is of strong vigorous growth with dark green foliage, reverse of leaf deep bronze.
