NEW CARNATIONS

ROOTED CUTTINGS

Mrs. C. Edward Akehurst (Akehurst)

Raiser's Description

A pedigreed seedling dating back to 1905. Parentage Genevieve Lord, Flora Hill, Lavson and Enchantress. Color clear rose pink; large flowers three and one-half to four inches; bloom carried on long stiff stems, very fragrant, a healthy strong grower; continuous bloomer and exceptionally free. A money maker.

Rooted Cuttings \$12.00 per 100, \$100.00 per 1000.

Pink Sensation (Dorner)

Flowers extremely large, averaging four to four and one-half inches. The keeping qualities are excellent. The color is a well defined pink somewhat lighter than Gloriosa. The growth is stocky, has a heavier foliage than ordinary and throws good, long, heavy flower stems.

Rooted Cuttings \$12.00 per 100, \$100.00 per 1000.

Good Cheer (Dorner)

Color deep pink, darker than Gloriosa. Stems extra long and stiff. Size three to three and one-half inches. Has good keeping qualities. An early and continuous bloomer. As a producer it has exceptional merit.

Rooted Cuttings \$12.00 per 100, \$100.00 per 1000.

Alice (Fisher)

In color a beautiful shade of clear blush pink without a trace of salmon. The blooms average three to three and one-half inches in diameter. It propagates easily and grows rapidly; comes into flower very early; an exceptionally free bloomer. The petals are well arranged. It has a good strong calyx and a first flower is seldom seen. An easy doer like Enchantress, not as full in petals, but far more productive.

Rooted Cuttings \$12.00 per 100, \$100.00 per 1000.

A fine lot of cuttings ready now.

Mrs. Chas. Siegart

This is a Pink Enchantress seedling with a more solid and deeper color, which does not fade at the edges even in hot weather. A luller flower and stouter growth. Blooms as freely as Enchantress and is a decided improvement.

\$7.00 per 100, \$60.00 per 1000.

Matchless

This Splendid White Carnation introduced last year has made good everywhere. Growers and retailers alike, in all sections of the country have only the highest praise for it. You make no mistake in purchasing this variety.

Rooted Cuttings \$6.00 per 100, \$50 per 1000.

Champion

Introduced by Dorner & Sons last season, is proving good wherever grown extensively. It seems to be the coming Red.

Rooted Cuttings \$6.00 per 100, \$50 per 1000.

Enchantress Supreme

This has been tested and tried for two seasons and without doubt will entirely supplant Enchantress. The demand each year has far exceeded the supply. Place your order early and make sure of your stock of this splendid variety.

Rooted Cuttings \$4.00 per 100, \$35 per 1000.
