SCIPIO, INDIANA

LOCATION.

Our nursery is located in Geneva Township, Jennings County, Indiana, Seven Miles Southwest of Scipio and Four and One-half Miles Northeast of Reddington.

OUR STOCK.

Is carefully grown and cared for by a competent Superintendent who has had many years of experience and a wide knowledge of varieties and their value to fruit growers.

Our stock is all grown on *Whole Root Seedlings*.

ESTABLISHED 1913.

We planted our first stock in the Spring of 1913. Everything we offer is First Class in its grade.

GUARANTEE OF GENUINENESS.

While we exercise greatest care to have all our trees, etc. true to label, and hold ourselves in readiness on proper proof to replace all trees, etc. that may prove untrue to label, free of charge, or refund the amount paid, it is mutually understood and agreed to between the purchaser and ourselves that our guarantee of genuineness shall in no case make us liable for any sum greater than that originally received for said trees, etc., that prove untrue.

CERTIFICATE OF INSPECTION.

All stock leaving our nursery will bear a certificate of inspection by the State Entomologist.

We have complied with the provisions of law relating to spraying etc., and assure fruit growers that we will supply them with *High Class Healthy Stock*.

PACKING.

We exercise great care in packing so as to carry in good condition even for long distances. Packing in bales and boxes, for which we charge a reasonable sum according to sizes of the same.

We guarantee satisfaction realizing that a satisfied customer is the best advertisement.

Give us a trial order and we will convince you that we mean what we say.

SOIL.

Our Stock is growing on common clay soil and the roots are as fine as can be found anywhere.

AN INVITATION.

Those interested are cordially invited to call and see our nursery at any time.
