GLENVIEW, ILL.

Located 17 miles northwest of Chicago, on the C. M. & St. P. R. R.

QUALITY

Our Nursery Stock is grown in the open prairie; we plant farther apart and transplant oftener than the average nurseryman, thereby producing stock with more branches and fibrous roots; stock that will produce immediate effect.

TERMS AND CONDITIONS

Prices do not include packing, which will be charged for at cost. Five will be furnished at the 10 rate and 50 at the 100 rate. No charge for delivery to the express companies or railroads.

Cash or satisfactory bank references must accompany orders.

The greatest possible care is exercised by us to keep our varieties true to name. We hold ourselves in readiness to replace on proper proof all stock that may prove otherwise; but it is mutually agreed between the purchaser and ourselves that we shall not at any time be liable for any amount greater than the original cost of the goods.

To receive consideration, claims must be made within five days after the receipt of the goods. Claims for damage in transit must be made to the company delivering the goods, and should be presented promptly.

Certificate of inspection will be sent with each shipment.
