All trees herein quoted are strictly up to grade specified and strictly high grade in every respect. All buds and scions used in growing this stock of apples and pears were selected by our Mr. H. S. Galligan, whose long experience in the nursery and orchard business and strict attention to plant breeding qualifies him to select from trees only that will produce the best results possible, hence we are in a position not only to guarantee our trees true-to-name, but of the best producing strains in Hood River.
