EXTRA FINE
Price list of SEEDS
FOR
FLORISTS

While the greatest care is taken to send out none but reliable seeds, we do not warrant them in any way, and will not be responsible for the crop. Every order received will be filled upon these conditions only.

The world is bright and sunny—
If you haven't lots of money
What's the difference?
You'll be all right anyhow.
Plant a flower by the highway,
Let your worry go the by-way,
You'll not know a thing about it
In a hundred years from now.
