A CORNER IN NARCISSUS

C. S. SHELDON, Shady Shore Gardens, Oswego, N. Y.

FOREWORD

The Narcissus in this list are mostly American-grown from my own gardens. They have proven sound and healthy and in every way equal to Holland-grown stock, and force two weeks earlier. The other bulbs are Holland-grown, from the best sources, and true to name. The prices are as low as can be made on high-class goods. A trial will convince you, as it has many others, of the high quality of my goods.

Terms: Cash with order, which will be refunded or credited as desired where goods are sold out.

Delivery: Free, by Parcel Post in first three zones, after September 15th.

Local Customers will find my bulbs on sale at the store of the OSWEGO FLORAL CO., No. 169 West First Street, about September 15th.

RESULTS COUNT

Oswego, N. Y., August 2, 1914.

Mr. C. S. Sheldon:

Dear Sir—Please send me ---- Emperor Narcissus, double-nosed. Those bulbs received from you last fall gave excellent results. Forced for Easter they gave more and larger flowers than the ones received direct from Holland and grown side by side.

W. H. WORKMAN,
Florist.

New York State College of Agriculture,
Cornell University, Ithaca.

August 5, 1914.

Mr. Chas. S. Sheldon:

In reply to your inquiry as to report of the behavior of the Emperor Narcissus bulbs sent last fall, would say that they gave excellent results. In fact, we have never had finer stock in our greenhouse.

A. C. BEAL.
