ED TRADE ASS'N CODE.

WETHERSFIELD, CONN., June 28th, 1917

Mr. W. W. Tracy, Sr.

Washington, D. C.

Dear Sir:

Yours of June 26th received and we are sending you enclosed one of our lists and each variety where there is a duplication of name we have so indicated and have checked the sorts which we consider entirely distinct. It may be that we are mistaken in regard to some of these varieties, but we have tried to be careful in our marking; indicating those with (X) that we consider the same in each of the various classes, except that in the case of Bountiful and Long Yellow Six Weeks Beans, we do not mean to say that Bountiful is the same as Six Weeks, but that the Bountiful is an improved strain and should be used as Long Yellow Six Weeks rather than the old strain, so have marked the improved or leading variety (XX). This will merely give you our opinion.

Where a variety is not checked at all we do not care to express an opinion as to its being a distinct sort.

Yours truly,

COMSTOCK, FERRE & CO.
