BERKELEY - - CALIFORNIA

To My Patrons:—

For convenience of our customers we ask early consideration and the ordering of Roses, Fruit Trees, and Shrubs.

To those who have never dealt with us, but whom we should like to include among our friends, we shall be glad to demonstrate the high quality of our stock, our ability to handle all orders and high-class methods of doing business.

Your generous patronage during the last year is appreciated, and I shall endeavor to merit a continuance of the same.

W. H. WOLTERS,
Proprietor Ashby Nursery.

SECTION OF NOMENCLATURE ROSES

We offer only the hardiest of hundreds of the varieties of Roses suited to our climate. They are 2 year old plants, strong and healthy:

OUR NEW NOVELTIES

\$1.00 Each

Chateau de Clos Vouget H. T.—The most wonderful color and texture seen in a rose. Looks as if cut out of heavy velvet with a color shading from deepest velvety maroon to blackish crimson.

Climbing Sunburst H. T.—Same as bush sort. Color, deep cadmium yellow with orange yellow center. Long pointed buds, large and full, heavy bloomer.

Mad. Edouard Herriot or Daily Mail Pern.—Superb coral red, shaded yellow at base, passing to shrimp red. Coloring absolutely unique. Very free bloomer.

Ophelia H. T.—Salmon red shaded rose. Fine form and excellent habit. Stems long and of erect habit.

Rayon d'Or Pern.—Deep golden and copper sometimes streaked with scarlet bars. Holds its color the best of all the yellows.

Willowmere Pern.—Shrimp pink shaded yellow and carmine. The best of the Briar hybrids.

\$.75 Each

Beaute de Lyon Pern.—Superb coral red lightly shaded yellow. Buds globular. Entirely unique.

George Dickson H. T.—Deep scarlet shaded velvety crimson. Flowers large and very full. Very fragrant.

Hoosier Beauty H. T.—Glowing deep crimson with darker shading. Strong free upright growth. Good form and texture.

Mrs. Charles Russell H. T.—Rosy carmine with scarlet center. Flowers beautifully formed and last splendidly when cut.

Mrs. Hillis.—Pure chrome yellow without shading. Free and perpetual bloomer.

Climbing Richmond H. T.—Same as bush form. Valuable on account of its free flowering habit.

\$.50 Each

Arthur R. Goodman Pern.—Apricot flushed salmon. Very free bloomer.

Betty H. T.—Coppery rose overlaid with ruddy gold. Buds long and pointed.

Edward Mawley H. T.—Deep red. Buds particularly fine. Splendid keeper.

George C. Waud H. T.—Orange vermillion. Blooms large good form, fragrant.

J. B. Clark H. T.—Scarlet shaded crimson. Fine form.

Jonkheer J. L. Mock H. T.—Carmine changing to imperial pink. Blooms large and highly fragrant.

\$.50 Each

- Joseph Hill** H. T.—Pink shaded salmon. Flowers large and double.
- Juliet** Pern.—Outside petals old gold, inside rich rosy red. Remarkably beautiful and striking in bud stage.
- Killarney Brilliant** H. T.—Flowers double and a very brilliant pink.
- Lady Hillington** T.—Deep apricot yellow without shading. Fine long buds. Keeps without fading.
- Milady** H. T.—Crimson scarlet. Flowers large, full, well formed on strong stems.
