NOTICE—All quotations are made for immediate acceptance, subject to stocks remaining unsold and confirmation of orders, also stenographic errors and omissions, delays and contingencies beyond our control.
WE ALSO NON-WARRANTEE AS NOTED ABOVE.

TO THE WHOLESALE TRADE:

We enclose copy of our contract offer quoting special prices at which we will be pleased to book your order for next fall and winter delivery.

On account of the extremely high prices for all ordinary farm products for which the farmers do not have to take any unusual risk or give special care, we shall be obliged to pay the best farmers considerably higher prices than last year for seed crops which they are obliged to give special care and attention and also for which they are obliged to take extra risks on account of the quality and germination required. We have, however, made our prices as low as the present conditions will warrant and allow us a fair profit.

The quotations are made or immediate acceptance and subject to confirmation of orders by ourselves as we may be obliged to limit our acreage this season. Hoping to hear from you with a good order by early mail, which we will give our careful attention, we remain

Yours truly,

WESTERN SEED & IRRIGATION CO.
