MARKET GARDENERS' PRICE LIST 1917

TERMS

The prices in this list are all net and goods will be delivered to freight or express office, but we do not pay transportation charges.

If goods are sent by mail 8c per pound postage must be added.

This year we have discontinued the use of the terms bushel, peck, quart and pint and now quote all seeds by weight.

Half pound and over at pound rate. Ten pounds at the 100-pound rate.

We do not put up half pounds of peas, beans or corn. Packages, 10 cents.

We give no warranty, express or implied, as to description, quality, productiveness, or any other matter of any seeds, bulbs or plants we send out, and we will not be in any way responsible for the crop. If the purchaser does not accept the goods on these terms they are at once to be returned.
