PEACH TREES

GROWN AND FOR SALE AT

Nurseries of David V. Higgins,

SON OF ASHER HIGGINS, DECEASED.

FALL OF 1918 AND SPRING OF 1919

Having been at the head of my father's business for 25 years, I feel confident in supplying the wants of the people.

I call the attention of Dealers and Planters to my Stock and Varieties herein named. My long experience in the Peach Trade, with Soil and Climate, insures Correctness, Healthfulness and Hardiness.

My Trees are Grown from Pure Natural Seed,

procured from Southern Tennessee, and grown on soil never before used for that purpose, and are free from the Yellows or Borer. My present Stock is fully equal to any I have ever offered for sale. No pains will be spared to give my customers satisfaction.

I solicit correspondence and orders from the Trade everywhere. The purchaser's selection of varieties will be adhered to as nearly as possible. All orders by mail will receive prompt attention.

TREES SELECTED WITH GREAT CARE

Packing will be done in the best manner, in bales or boxes, at the cost of the purchaser. All trees, after leaving my Nurseries in good condition, are entirely at the risk of the purchaser, and no complaint will be allowed unless made within ten days after receipt of goods. We use the greatest possible care to have our stock true to name, and should any prove not true we will on proper proof replace the same free of charge, but will not be liable for damage to more than the cost of the trees.
