Friends: for Over 25 Years I have grown and sold SEEDS. My Catalog is filled from cover to cover with high-grade, tested seeds, sent out under a positive guarantee to please you. My Catalog is small. No flashy, lumberly pages for YOU to pay for. No extravagant prices to match the enormous expense of business done in the city. Do not forget this.

Please Remember I am not a big city seedsman whose business is all done by disinterested clerks, knowing nothing and caring nothing about gardening. I personally attend to your orders, and try honestly to serve you with the best that can be produced.

I thank You Friends one and all, for your liberal patronage and especially for your kind words. I wish I deserved them more. I know it is my earnest desire to prove myself worthy of your confidence. With thanks and best wishes. Your Friend, A. T. COOK,

Money and Premiums Very Easily Earned.

Kind Friends:--You who have not tried it cannot realize how easy, pleasant, and profitable it is to get up Clubs for my Gilt Edge Seeds, Potatoes, etc. Nothing on earth sells easier.

Your Friends and nabors all buy Seeds every year. Go and take their orders and reap the profit. Even children who try ARE SURE to succeed.

Do You want "Pin Money." You can get it, and plenty too. Thousands do every year. All who try are **ABSOLUTELY SURE** of reaping a rich harvest of cash [or Premiums.] Take this Catalog at once and get orders. Don't let any one get ahead of you.

Discounts. You may keep one-third of all orders [sending me but \$1.00 for each \$1.50 ordered.] This big discount is on **EVERYTHING** I offer. [No other Seedsman gives even half as much.] You can easily obtain \$5.00 to \$30.00 in orders every day, and one-third is yours, in clean cash. Surely with such a chance there is no need for any one to be in want of money.

Premiums. Most People prefer Premiums in place of Discounts. My Premiums this year ARE BETTER than ever. They are marvels of value. Many actually sell in the stores for more than I ask for Seeds and Prem. both. Thousands wonder how I can give so much. It is easy to explain. I order Premiums in immense quantities in summer when Factories are dull, and by paying cash, get them at nominal rates. Not wanting the "whole earth" I give most of the profits [in Premiums] to you who help me, and we are both benefited. (Others give their profits to Newspapers.)

MY PREMIUMS are Extra Quality. Every one is a Prize worth striving for, and absolutely guaranteed. I want you to have them. All delivered FREE. I will look for a large club from you--but send one anyway--no matter how small.

TO BOYS AND GIRLS--and Everybody Else. Fully half my Club Agents are Boys and Girls. It is easy. Your own order and your parents, count same as any. Get a big order from your parents and relatives to start with, then go among all your nabors. Don't miss any. Show them the good things in my Catalog and take their orders. Beautiful Watches and other splendid Premiums are waiting for you.

25,000 BOYS AND GIRLS have sent me clubs. You can do as well if you try. Begin early, and keep at it and you will have Premiums to be proud of.

Write for more Circulars and Catalogs to hand

out. I will send them gladly and help you all I can.

SEND FOR 25 Potato Circulars anyway. My Potatoes are easiest of sellers. They go like hot cakes, and the Circulars DO THE BUSINESS. 25 Circulars well distributed (with your name written on as Club Agent) will certainly bring you a splendid lot of orders of \$1.00 and \$2.00 each.

Be sure and try this successful plan. (Distribute circulars from house to house--and call in a day or two and their orders will be waiting.) Take your Catalog along when you go around to collect, and AFTER you have taken their Potato orders--show cuts and descriptions of my choice Vegetables, Flowers, etc., and most of them will give you nice Seed orders too.

You can also MAIL Potato Circulars to your distant friends--stating you are working for a Premium--and thus add many orders to your list. Please do your best--and your success will surprise you. With Best Wishes Always--Your Friend,

A. T. COOK. HYDE PARK, N. Y.

NEW CHINESE GIANT PEPPER.

The Chinese Giant is by all odds the largest and finest of Peppers. It is the grandest sort for salads—stuffed for mangoes—or sliced and served like tomatoes. For market are twice as profitable as any other, as they bring such fancy prices. Plants are stocky habit, about 2 feet high, and loaded with enormous fruits. 22 of these gigantic Peppers have been counted on a single plant. They are very mild, sweet as an apple and ripen early. Every one will want to plant it I am certain.

READ THE FOLLOWING FROM THE
EDITOR OF THE RURAL NEW YORKER
TO WHOM A FEW SEEDS WERE SENT FOR TRIAL.

"We grew the Chinese Giant Pepper with much pleasure, and found them veritable monsters. Their highly colored fruit is a pleasant addition to summer salads. The flesh is thick, tender, and sweet, without any burning taste. The plants grew finely, and the immense peppers—often more than 6 inches in diameter and depth make a very handsome show in the garden. The Chinese Giant is earlier than the Ruby King."

TRUE CHICAGO PICKLE CUCUMBER.

This has become a standard variety, and is undoubtedly the best Cucumber for pickles, and is used almost exclusively by the most progressive pickle factories. The fruit is of medium length, pointed at both ends;

color deep green; begins to set its fruit when the vines are quite young. It is a continuous bearer, and its productive qualities simply marvelous. I have a very choice strain of seed. Packet 5 cts. 6 for 25 cts.

NEW EXTRA EARLY BEET.

I am glad to offer this new variety as one of almost inestimable value. How many of my Gardener friends believe that there is anywhere in existence, a nice, smooth, garden beet of deep red color, which will produce roots of suitable size for market 10 DAYS in advance of the old early sorts?

Well friends this variety does that very thing; I was incredulous until I planted the seeds and tested them side by side, and watching their growth saw a finely formed root develop on every plant of this new variety before other early kinds began to bottom.

The flesh is delicate, rich, and sugary; very fine grained. It is in every way an ideal table Beet. Young plants make splendid greens.

FLOWERS.

"God might have made the earth bring
Enough for great and small,
The oak-tree and the cedar-tree,
Without a flower at all.

He might have made enough, enough
For every want of ours.

For luxury, medicine, and toil,
And yet have made no flowers.

Our outward life requires them not,
Then wherefore had they birth?
To minister delight to man,
To beautify the earth!

To comfort man—to whisper hope
Where'er his faith is dim,
For He who careth for the flowers
Will care much more for him!"

SONG OF THE RYE.

I was made to be eaten,
And not to be drank;
To be threshed in a barn,
Not soaked in a tank.

As a blight and a curse
When run thru a still.

RECOMPENSE.

"The gifts that to our breasts we fold
Are brightened by our losses.

The way seemed dark and dreary."

EARLY WINNICSTADT CABBAGE.

A well known and very popular variety; heads large, decidedly conical, remarkably solid and hard, even in summer. This is a sure header, a good shipper, and

Strawberry Tomato, or "Golden Husk."

ALSO KNOWN AS WINTER CHERRY AND GARDEN FIG.

Every garden in America should have a liberal supply of this remarkable fruit. It is one of my specialties. Probably no fruit ever grown makes such delightful, rich and handsome canned fruit and preserves. They make delicious pies, and superb fruit-cake when dried in sugar like raisins. Very easy to grow, and ripen in 80 days.

They yield abundantly in all parts of the U. S. and Canada. Fruit is golden-yellow, size of big cherries, fairly loading the branches down. You have no idea how delicious they are until you try them.

Many call them equal to strawberries to eat out of hand. If left in their husks or pods and stored in a cool place they keep fresh and sweet all winter.

Superior strain, selected seed—with full directions for using, and instructions for growing, only 10c. per Pkt. 3 for 25c. 12 for \$1.00. 36—and Beautiful Jeweled Watch—or 2 Pair Exquisite Lace Curtains for \$3.00.

Get up clubs. It is easy to sell this valuable seed.

PUMPKIN--KING OF THE MAMMOTHS.

This grand, colossal variety is without a rival; it astonishes everybody by its mammoth size and heavy weight. Indeed no other pumpkin has ever attained such enormous weights or been awarded as many prizes.

Think of it a single pumpkin weighing 298 lbs. [See Cut.] Is not this the greatest of all pumpkins? The flesh and skin are

a bright golden color, fine grained, and excellent quality. It is one of the best pie or table pumpkins ever grown, and a splendid keeper. I hope all enterprising pumpkin growers will give it a trial. You will be sure of a Prize at your County Fair. Full directions on every packet. Selected Seed, Pkt. 10c. 3 for 25c.

Monte Cristo Watermelon. Best Ever Produced.

Another year but adds to the popularity of this **KING OF ALL WATERMELONS**. The incomparable Monte Cristo is sweet and luscious beyond power of words to describe. It is the earliest of **ALL** the giant melons, and is, without doubt, **GREATEST YIELDER EVER KNOWN**. Often weighs under ordinary cultivation 60 lbs. or more. One of the sweetest, juiciest, crisp and most solid melons ever produced. Very easy to sell from its handsome appearance and exquisite quality. It is the **GREATEST MONEY MAKER**.

Certainly no melon can surpass it for market or table use. Mr. Dodge the veteran melon expert says, "The Monte Cristo is the best melon I ever raised—not half its good qualities have been told." My Growers say, "All other melons are poor and tasteless compared with the Monte Cristo." Whatever you do, do not miss growing the wonderful Monte Cristo Watermelon.

Headquarters Stock, Selected Seed, pure and true. Large Packet 10c. 3 for 25c, 12 for \$1.

"The Monte Cristo Watermelons were A No. 1. I want no better. I have grown melons for years, and never saw their equal for both quality and size. The Coffee Berry is a success. I was much pleased with all your seeds." N. H. Wood. Los Alamos, Calif.

Japanese Nest-Egg Gourd.

This new and beautiful variety varies in size from a pigeon's egg up to a goose egg, but mostly the size of hens eggs and so exactly the shape and color, as to almost deceive the eye. The shells are hard and durable, and make the very best nest-eggs, as they neither freeze or crack. The Nest-Egg Gourd is a rapid and desirable climber; quickly covering old sheds or any unsightly object with a mass of green foliage, thickly dotted with beautiful white eggs. Boys you can make lots of money growing this gourd, and selling them to your nabors for nest-eggs.

Packet 10 cts.

Early Jersey Wakefield Cabbage.

This is preeminently the best extra early cabbage in the world. It is of large size for so early a kind, and is well deserving its popularity. It heads up remarkably hard and solid; can be planted close, and is very desirable for early market.

Pkt. 5c. 6 for 25c. All of my cabbage seeds are very choice, being raised from the best hard heads carefully selected.

Gardeners! plant them this year and you will agree with the verdict that "they are the best in the world."

NEW GIANT FANCY EARLY COSMOS.

These exquisite flowers should be in every garden. They are of marvelous size and beauty—measuring 3, 4, and 5 inches across borne in great profusion. The effect is most charming. Colors pink, white, mauve, crimson, etc., delicately tinted and clouded. Blooms are varied, some plaited, cut and fringed.

They are very pretty and lasting for vases, etc. Of the easiest culture, and blooms from July to Nov. Height 4 to 5 feet. Selected Seed, a superb assortment. Pkt. 10c. 3 for 25c.

THE PEOPLES FAVORITE, FRAGRANT FLOWER.

My famous gilt edge mixture contains all of Eckford's finest hybrids and many others—over 100 in all. They are the very best quality, large size, brightest colors, and delightfully fragrant. Plant quantities of these lovely flowers for your own use, and to give away. Cut them with a lavish hand. Their presence will bring pleasure in the sick room, and adorn your friends' empty vases, and make happy the flower-hungry children who have no pretty flowers of their own. Sow very early, in extremely rich ground and you will have enormous quantities of the largest blossoms.

Extra Large, full ounce packets—(3 times the usual size.)—only 10 cts. 3 for 25 cts. 12 for \$1.00.

From Prof. W. H. Morse, M. D., F. B. S. C.

Westfield, N. J. Feb. 13th, 1903.

My Dear A(dwains) T(rue) Cook. Your Honest Catalog has come again. Every year adds to my faith in Cook's seeds. Those Vegetable Peaches, Domestic Coffee, and Cinnamon Vines were more wonderful, more pleasing, and more fascinating than ever.

The Cinnamon Vine was the marvel of the city; and the peaches and coffee not only gave large crops but attracted the attention of the whole section. All other seeds did well. The Perfection Parsnips, which came to my table for dinner to-day deserve especial mention. In more than a quarter-century's experience with experimental gardens, nothing in the way of seeds has ever pleased me more, and if it will do you any good you can say that Cook, and his seeds are guaranteed by me. Fraternality and Sincerely Yours, W. H. Morse, Agri'l Chemist.

A Distinct Creation. The Wonder and Admiration of All Bean Growers. My Own Introduction. This Bean Has Not an Equal in the World. Receives Highest Praise From Every State in the Union, Canada, etc. Headquarters Stock, Pure and True. Beware of Spurious Seed.

The Plain Truth About Powell Beans.

IN ALL the history of bean growing, there never was a variety produced half as valuable as Powell's Prolific. Words cannot do them justice. They must be seen. I am proud to have given them to the world.

THEY ARE absolutely unlike all others. They will positively yield 3 times as much as the best of the old sorts. This is saying much, and it is true. No other vegetable of such goodness and value has been in-

produced in the past 50 years.

POWELL'S Prolific are stringless snap beans of highest quality. They are rich, tender, and buttery to a superlative degree. Their distinct flavor cannot be described. They almost melt in your mouth. Thousands declare them the **VERY BEST** of all beans. They are equally good as a dried bean in winter.

THE VINES are marvelous runners—producing almost solid masses of thick pods 5 or 6 inches long—hanging in enormous clusters from top to bottom of

HIGH PRAISE FROM MY CUSTOMERS.

Powell Beans Worth \$10. a Pkt.

Mr. A. T. COOK. Dear Friend:—I have grown every bean known in this country, and from experience consider Powell's Prolific **KING**. It is the most luxurious grower, the most prolific bearer, the most delicious when young—tender—stringless, and delightful in pickles. For baking there never was such another bean. I would give \$10.00 for a Packet, rather than be without them.

For 16 years I have used your seeds; they have always grown without exception. They have no superior, are always as represented. I have tried the other houses, but none of their seeds grow and produce like yours. You are welcome to use this letter. Hiram Whinnery.

Findlay, Ohio. Apr. 28 1914.

PROF. H. WHINNERY.

Received \$5. From 4 Hills--Used Many Too.

There is much money in Powell Beans. I sold \$5. worth from 4 hills (2 plants in a hill) besides all I could use in my family. They are wonderful, and continue bearing until frost. J. P. Smith, Va.

Over One Bushel of Beans From Every Hill.

For 15 years I have grown beans. None can compare with Powells. I planted 18 hills—picked over a bushel from each—and sold \$9.98 worth for cash. Samuel Waddy, Henry Co., Tenn.

Cannot Over-Recommend This Money Maker.

From 16 hills I sold \$7.65 worth and ate of them all the season. You cannot over-recommend this money-maker. I had to prop up nearly every pole. A. J. Packard, York Co., Maine.

Dear Friends:—I offer you these remarkable Potatoes because I honestly believe them decidedly the BEST IN THE WORLD. Their incomparable table qualities, extraordinary earliness, enormous productiveness and beauty, make them indispensable to every Home Garden. When raised for market, their easy-growing and easy-selling qualities render them a money-maker beyond compare.

I have been an enthusiastic grower of fine Potatoes—multitudes of them—for over 30 years and can truthfully say I never found their equal—or anything near it, in traits that go to make a perfect potato.

I want you to try them. It will be many dollars in your pocket—and comfort in your home. I want you to grow a years supply for your own table—and enough over to plant, and bring you in a snug little fortune.

You can hardly imagine how good and how early they are. Grow them once and you will grow them always. Read Testimonials on another page. I could fill my entire catalog with such as these.

I need only add, the Early Six Weeks are unusually healthy, hardy and vigorous; grow so quickly enemies trouble little. Tubers are very smooth, slightly pink, and always cook dry, sweet and floury. They are the very best of keepers, remaining hard and plump, and retain their matchless flavor clear up to July.

Hundreds have testified they have positively produced fine eating potatoes six weeks from planting.

Beware of spurious seed. Thousands have suffered. Get the genuine, pure and true. Grown in the north where WHOLE FIELDS with ordinary culture averaged OVER 250 BUSHELS per acre of handsomest, cleanest potatoes you ever saw. THIS is the hardy stock I offer you. Don't plant old, run-out sorts. You lose dollars every time. Grow this money maker and sell seed to your neighbors at a big profit. Give your boy and girl a chance to make money also—and win a Prize Watch. It will pay in more ways than one.

SPECIAL. To Introduce, and help Club-Agents, I will this year give this entire Dollar Seed Collection FREE WITH EVERY POTATO ORDER.
