The Glory of the Garden PRICE LIST

1919

ARTHUR COWEE

Meadowvale Farms

Berlin, N. Y.

FOR various reasons, including conservation of paper, I have concluded to omit issuing a catalog for 1919. I would respectfully request you to refer to my 1918 catalog and the within price list when ordering, and if you do not have a copy of the former, I will mail same upon application.

Scarcity of labor has been such, that although I have many new seedlings of superior merit worthy of naming and dissemination, I have been unable to secure help to classify and prepare for sale.

I would, however, call your attention especially to the two new and valuable collections,

“VICTORY” COLLECTION

“PEACE” COLLECTION

which I have prepared. Better value than these cannot be obtained for the money.

Berlin is in Rensselaer County, New York, near the boundary line between New York and Massachusetts.

Especially fine highways radiate from the important cities and towns in this vicinity, permitting comfortable motoring through our section from Albany, Troy, and other eastern New York points, Pittsfield and western Massachusetts, as well as from the Berkshire summer resorts.

My friends are invited to visit Meadowvale Farms during August and early September when my *Gladiolus* fields are in full bloom. Visitors are always welcome and I am sure you will be amply repaid for including Berlin in your summer itinerary.

Many persons have availed themselves of the opportunity of motoring to my fields, and are now regular annual visitors.

JUST HOW TO ORDER

Order Early. This is important from your standpoint and mine. By so doing you insure getting just what you want, whereas late orders cannot always be properly executed, especially those received on the very edge of the planting season. At that time I may be out of certain choice varieties, perhaps the very ones you want most. I make no substitutions unless so instructed. Bulbs for greenhouse forcing are ready for shipping in the late fall as soon as thoroughly cured. To encourage large plantings, all prices quoted are practically wholesale, quality taken into consideration.

Upon orders for more than fifty bulbs by mail, remit eight cents for each additional twenty-five bulbs to cover postage. My mailing-size bulbs are much larger than those sent out by most growers, but still larger bulbs can be sent by express, and I advise having shipments made in this way wherever possible. I have a special rate, which is 20 per cent below the regular charge on merchandise.

Special Discount to Seedsmen and to those ordering in lots of 5,000 or more.

Remittances Must Accompany All Orders from unknown purchasers, and may be by postoffice order, express order, New York draft, or cash by registered letter. Postage stamps accepted.

Carefully Sign Your Name, postoffice, county and state. Write clearly. Address all orders to
