CITY OF EAST ORANGE, NEW JERSEY

Aug. 24, 1914.

Thomas Meehan & Sons,
Dresher, Pa.

Gentlemen:-

I am sending you some photos I have just lately made of the Yellow-twigg'd Lindens, as they will convey to you the true appearance of these trees better than anything I can possibly say. The trees were furnished by you and planted in the Fall of 1911, on Kenwood Place. There are seventy five trees, in perfect condition, not having lost a single tree. The trees are very uniform in size and make a beautiful showing, and I predict that this will be one of the most beautiful streets in East Orange.

Yours very truly,
(Signed) Ernest H Bennett,
Supervising Foreman.
