Success.....	.75	5.00
William Belt.....	.75	5.00

Note. We will not have any ordinary or layer plants to offer until Spring 1920, when a complete list will be offered.

We do not recommend the planting of layer strawberry plants in autumn.

RASPBERRIES.

Note. As tip plants of black cap and other raspberries should not be planted in autumn, we omit them from this list. Transplanted plants of them, however, succeed admirably when planted in the fall.
