***and* GARDEN SUPPLIES**

We have much pleasure in mailing you our New Season's Catalogue for 1920; and are glad to be able to report that in spite of shortness of labor, caused by the war, our Seeds have, with few exceptions, been harvested in splendid condition.

All orders entrusted to us, will receive our personal and careful attention and be shipped without delay, in fact almost invariably the same day as received.

Owing to the unusually rainy season the crops of Peas and Beans are very scarce and customers are advised to order early to avoid disappointment.

We take this opportunity of thanking our numerous patrons for the valued support extended us last season and respectfully solicit a continuance of their favors.

The personal recommendation of customers is one of the principal sources of our business. We would, therefore, respectfully ask all who are interested to favor us with the address of friends who are lovers of gardening, that a Catalogue may be mailed to them, with assurance that only Seeds, etc. of the highest possible quality will be supplied.

Any varieties of seeds, etc., not named in this Catalogue can be supplied, and we shall always be pleased to quote special prices for large quantities on receipt of list of kinds and quantities required.

Prices of Seeds, Bulbs, Plants and Supplies are subject to market changes.
