THIRD ZONE—

FOURTH ZONE—

WEIGHT LIMIT—Parcel Post packages must not exceed 70 pounds in weight for the first two zones, and 50 pounds for the other zones.

ZONE RATES—May be had by applying to your postmaster, who will tell you which zone you are in with reference to Houston.

PRICES—Our prices are subject to market fluctuations; however, we will not advance prices unless absolutely necessary.

POSTAGE—We pay postage (except where otherwise noted), on all seeds in packages, ounces and pounds.

PRICES—On Peas, Beans, Onion Sets, etc., are given, both prepaid and at customer's expense for transportation.

WE DO NOT send goods C. O. D. unless cash to the amount of one-fourth of order accompanies same.

ERRORS—We make them—so does everyone—and we will cheerfully correct them if you will write to us. Try to write to us good-naturedly; but if you cannot, then write to us anyhow.

When personal checks are sent, add 10c to cover the cost of collecting. Banks charge exchange on personal checks.

GUARANTEE—While we use every care to have all seeds pure and reliable, it is impracticable to guarantee seeds under all circumstances. There are many contingencies arising; not sowing at a proper depth; the soil not in proper condition at time of planting, too wet or too dry. For this reason we give no warranty, express or implied, as to description or quality of any seed we ship, and we will in no way be responsible for crop.
