To the Trade

We take pleasure in submitting herewith our Price List for the year 1920.

Order direct from this price list which saves you agents commission.

Or when Spring opens up, drive to the Nursey, inspect our trees, see what you are getting.

Bring horse blankets and we will wrap up the trees so that neither they nor your car will be damaged.

The trees are in a healthy condition. Certificate of inspection will be furnished with each shipment. The varieties named in this list have been carefully selected as best for Iowa soil and climate.

We exercise the greatest care in having our trees true to label and agree, upon proper proof, to replace all that may prove untrue, but are not liable further.

We guarantee trees to be in good growing condition at the time of delivery, but cannot be responsible further.

All claims for shortage, damage, etc., must be made within 10 days after delivery of goods.
