\$5.00

A 50 Ft. HEDGE

We grow large quantities of hardy shrubs that are admirably adapted for this purpose, and will be pleased to quote prices or reply to inquiries regarding same. A hedge not only will add much to the attractiveness of property, but may be useful as a screen, windbreak or division. Many shrubs require little or no attention to keep them in the desired form, while others must be sheared. If you will tell us the length; height desired to keep same at; location or position, and class (evergreen, foliage or flowering), we will cheerfully suggest what we think would please you best. Plant most sorts about two feet apart.

\$5.00

25 Roses, Shrubs and Vines
